*Christianity Is Not Religion* James a. Fowler, 2011-02-24 Jim Fowler explains that Christianity is not a book religion not a belief system not morality not role playing not social problem solving not an ideological option and not an ism before concluding with the positive emphasis that Christianity IS Christ

**Christianity is Christ** William Henry Griffith Thomas, 1909

*Christianity Is Not a Religion* Ifeanyi Chukwujama, 2013-09-16 Christianity is not a religion Christianity is Christ in us because Jesus Christ comes into us and dwells in us when we accept Him into our lives And by Christianity I mean establishing a relationship with and having fellowship with Jesus Christ that is in case Christianity means other things to other people Jesus Christ did not call His followers Christians nor did His apostles and disciples call themselves that But in the world today we are known as Christians and we are proud to be and our faith in Christ is known as Christianity because we believe in Jesus Christ And by coming to Jesus Christ we receive life He said to the Pharisees You diligently study the Scriptures because you think that by them you possess eternal life These are the Scriptures that testify about me yet you refuse to come to me to have life John 5 39 40 Christianity is LIFE because Jesus Christ is Life and comes to live in us when we accept Him as our Lord and Savior And He told us in the Bible I come that you may have life and have it more abundantly So when you come to Christ you ve come to LIFE And you ll have life more abundantly How then did we get from life to religion Just like the Israelites before us we took the perfect gift of God and turned it into man made activities designed more to gain glory for ourselves than to give glory to God No wonder the world is getting darker and darker Religion is not about God Religion is an attempt to imitate God

*The Definition of Christianity* David Gooding, John Lennox, Who gets to determine what Christianity means Is it possible to understand its original message after centuries of tradition and conflicting ideas Gooding and Lennox throw fresh light on these questions by tracing the Book of Acts historical account of the message that proved so effective in the time of Christ s apostles Luke s record of its confrontations with competing philosophical and religious systems reveals Christianity s own original and lasting definition

Christianity Is Christ W. H. Griffith Thomas, 2015-06-02 Excerpt from Christianity Is Christ Christianity is the only religion in the world which rests on the Person of its Founder A man can be a faithful Mohammedan without in the least concerning himself with the person of Mohammed So also a man can be a true and faithful Buddhist without knowing anything whatever about Buddha It is quite different with Christianity Christianity is so inextricably bound up with Christ that our view of the Person of Christ involves and determines our view of Christianity The relation of Jesus Christ to Christianity differs entirely from that of all other founders towards the religions of philosophies which bear their names Platonism for example may be defined as a method of philosophic thought from Plato Mohammedanism as the belief in the revelation vouchsafed to Mohammed Buddhism as the following of principles enunciated by Buddha But Christianity is an essence adherence to the Person of Jesus Christ It has also been pointed out that Christianity alone of the great religions of the world calls itself by the name of its Founder and that while we call other religions by the names of their founders the adherents of these religions do not call themselves by these names This fact is full of very deep meaning About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*What Really Is Christianity, Second Edition* Austin de Bourg, 2014-12-19 Discover who God intends for you to be and how to fulfil your God appointed purpose This book is a wakeup call to slumbering Christians It addresses the urgent need for Christians to return to Jesus Christ and His Christianity and to passionately pursue a personal intimate relationship with Him the Father and the Holy Spirit It takes you deeper in Christ and propels you to put your Christian faith into action and advance the Kingdom of God Too much is at stake for you not to know what really is the Christianity that Jesus Christ has prepared especially for you In his unique simple style author Austin de Bourg leads Christians into the full understanding of their faith as he unveils Christianity from God's perspective This book takes the subject of Christianity to a dimension where modern literature on the topic rarely ventures It reveals truths from the Word of God on the supernatural birthright and heritage of Christians and Christianity and answers questions on the seldom taught doctrine of the reality and conflict of the dual nature of Christians What Really is Christianity points out the importance of Christians knowing and keeping their divine lineage and heritage alive not only for their benefit but for the benefit of those who would carry on the faith Like the early Christians who knew who they were this generation and the generations to come would be able to live and function as Christ ordained and as such successfully changed their world In this book author Austin de Bourg deals frankly with the misconceptions of Christianity which many earnestly practice today warning of the dangers of replacing relationship with

God with religion which in fact keeps us from coming to God Not only does the author diagnose the present malady of Christians and Christianity but he prescribes the corrective treatment In so doing he identifies with precise clarity the Christianity that Christ established and left for us to follow Both Christians and non Christians alike will benefit from this insightful work pregnant with the author's personal intimate experience with the Trinity and his passion to see everyone experience the superior quality of life that he himself has come to know and experience through Christ's Christianity

Bavinck,2022-03-08 In this book Dutch theologian Herman Bavinck 1854 1921 provides a historical sketch on the nature of Christianity and the unifying power of Christ He proceeds from unity to diversity on where the Christian church agrees to the areas where it differs It is apologetic and evangelistic ecumenical and Reformed and historical and theological in scope In this succinct book Bavinck traces the history of Christian doctrine and life distinguishing the East from the West and then focusing on the West through the Reformation to the twentieth century Both at the beginning and the end of the book he places before the reader what he deemed the most important religious and theological question of the day Who is Jesus It is no small task which Dr Bavinck has undertaken to tell in sixty two small pages all that Christianity is and that in a series in which it is brought into comparison with other great religions He has fulfilled this task however in a most admirable manner His method is first to point out what all Christians are agreed upon and then to give an historical account of Christianity in its origins and its progressive manifestations in the great forms of the Orthodox Eastern the Romish the Lutheran Reformed Churches with further descriptions of the forms it has taken since in Anabaptism and Socinianism and the New Protestantism rooted in the Enlightenment His plan thus resolves itself into an informal sketch of the historical development of Christianity This sketch is written with remarkable grasp of details and an equally remarkable power of synthesis We cannot imagine how the work could be done better B B Warfield      **Christ and the End of Meaning** Paul Hessert,1993 Both liberal and

conservative churches offer the world meaningful Christianity Hessert argues that meaning itself is the problem that Christ and His teachings sought to solve The Gospel is not about meaning but an alternative to the very structure and stricture of meaning He proposes living with patience and passion through joys and suffering for passion is the life of the soul      **The Christianity of Christ** Robert Francis Coyle,2015-06-13 Excerpt from *The Christianity of Christ* To learn what the religion of Christ is and what it requires we must turn from the traditions of men to what Jesus himself did and taught This we have very simply and beautifully recorded in the Gospels the first three of which are accepted as genuine by skeptics and Christians

alike There is no respectable scholarship anywhere that presumes to discredit the historical testimony of Matthew Mark and Luke and it is to the last of these that our text refers when it speaks of the former treatise About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Christness.** Reverend Tom Wright,2015-06-03 Reverend Tom Wright is an associate pastor at the First United Methodist Church in Geneseo Illinois He is concerned that believers are missing the essence of Christianity Most believers feel a separation between themselves and Jesus Christ Jesus is divine and they are not so they feel that Jesus is over there and they are over here As a result there is no intimacy no relationship with Christ With that mindset modern day Christianity is experiencing a power shortage limping along in dry intellectualism Rev Wright's book paints a different picture Believers have a Christness intersection where there is no difference between themselves and Christ Scriptures describing Christness are found in virtually every chapter in the New Testament Wright challenges believers to use their Christness as Jesus used His The concept of Christness liberates believers from the practice of passively listening to sermons Sunday after Sunday They will now become capable of leaving the bleachers stepping onto the playing field and getting into the game The revolutionary insight of Christness causes Rev Wright to ask believers to stop making excuses and become what they were

created to be What is that you ask Jesus describes it in John 14 12 Verily verily I say to you He that believeth on me the works that I do shall he do also and greater works than these shall he do because I go to the Father Rev Tom Wright is an accomplished speaker for investment and Christian audiences He has developed a course of instruction called Soul Searching which enables students to discover Gods purpose for their lives This course has been successfully taught in academia prior to his entering the ministry For details see his website [Tomthesoulcoach.com](http://Tomthesoulcoach.com)
