Christinas Secret:

Christina's Secret Sharon Thompson, 2013-12-10 Christina finds herself trapped in a tangle of secrets as she helps to conceal the injured Patriot spy Charles Potter Torn between staying true to her Loyalist principles and keeping a promise to her friends Christina's troubles intensify by her suspicions that someone has been following her on her trips to the spy's hiding place Worse yet a letter has convinced her father that the family should move to the Bahamas As danger closes in will Christina be able to remain loyal to her king her family and her friends or will she be forced to choose **Christina** Lincoln Hulley, 1925 The Court of Christina of Sweden and the Later Adventures of the Queen in Exile Francis Henry Gribble, 1913 *Christina Rossetti* Diane D'amico, 1999-12 Since Arthur Symonds's declaration in 1895 in the Saturday Review that Christina Rossetti was among the great poets of the nineteenth century Rossetti's image among critics has undergone permutations as divergent as Victorian culture is from postmodern Now Diane D Amico redeems Rossetti from the various one dimensional castings assigned her across the generations those of a saint writing poetry for God of a sexually repressed neurotic woman of minor talent and most recently of a subversive feminist questioning the patriarchy and renders a fuller more intricate understanding of the poet than any to date With flawless logic balance and clarity D Amico seals her case that Rossetti's faith her gender and the times in which she lived should all be considered to appreciate her poetic voice According to D Amico the image of Rossetti that can best serve as a guide to her more than one thousand poems reflects the centrality of her faith not as evidence of sexual repression nor necessarily as absolute truth but as absolute truth for Rossetti It will then become apparent how Rossetti's commitment to her Christian faith her experience as a Victorian woman and her poetic vocation are inextricably interwoven Memoirs of Leonora Christina, Daughter of Christian IV of Denmark Leonora Christina Ulfeldt (grevinde), 1929 **Christina North** E. Rossetti Christina Georgina Rossetti, 1910 The Afterlife of Christina Rossetti A. Chapman, 2000-06-13 Despite new historical study of her contexts Christina Rossetti continues to haunt the reader as a displaced subjectivity emptied of history Through an analysis of the posthumous in her work the construction of Christina Rossetti by her brothers and the history of reception this study asks how speaking with the dead can avoid critical ventriloquy The figure of the mother is offered as a paradigm for theorising a new reading that refuses to exorcise the ghost of Christina Rossetti **Poems by Christina G.
