K Payea

Christlike God A Survey Of The Divine Attributes From The Christian Point Of View:

The Christlike God Francis John McConnell, 1927 What Jesus Didn't Know: A Defense of Kenotic Christology James Agnew, 2025-01-28 Does Jesus know everything If so why does he say he doesn't know the hour of his second coming Why is he described as growing in wisdom On the other hand if he doesn't know everything then is he still divine The controversial doctrine of Kenotic Christology offers a simple solution to these questions by positing that Jesus voluntarily emptied himself of certain abilities and knowledge at the incarnation However critics have claimed this solution compromises the deity of Christ Engaging rigorous and rooted in Scripture this work argues that Kenotic Christology not only upholds the divinity of Jesus but also provides the best lens for understanding depictions of his humanity What Jesus Didn't Know challenges readers to rethink divinity omniscience and the radical humility of Christ The Princeton Theological Review, 1928 Includes section Reviews of recent literature **The Methodist Review**, 1927 *The Making of American Liberal Theology* Gary J. Dorrien, 2003-01-01 In this first of three volumes Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider longer running tradition than has been thought The tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism atheism It is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of Christianity as an ethical way of life and its commitment to make Christianity credible and socially relevant to modern people Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including William E Channing Ralph Waldo Emerson Horace Bushnell Henry Ward Beecher Elizabeth Cady Stanton and Charles Briggs Dorrien notes that although liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom Methodist Magazine and Quarterly Review, 1927 London Quarterly Review, 1927 *Unlimited Atonement* Michael F. Bird, Scott Harrower, 2023-05-23 Limited atonement is not the only Reformed model of atonement Hypothetical universalism or unlimited atonement states that Christ's death is sufficient for the guilt of all people yet is only effectively applied to those with faith This tradition typified by the French Reformer Moise Amyraut has continued among Anglicans and Baptists for over four centuries yet has been underexplored in Reformed systematic theology Unlimited Atonement fills a gap in resources on atonement theology that begin with the unlimited love of God Editors Michael F Bird and Scott Harrower draw on the specialties of each of the ten contributors addressing themes such as the biblical and historical sources of the soteriological position known as Amyraldism distinctive features of Anglican atonement theology Introductions to every book of the Bible to help you approach the text hypothetical universalism election and the Baptist theological tradition other prominent advocates of unlimited atonement the issues of systematic theology at stake atonement theology in preaching Unlimited Atonement is the most comprehensive analysis of Amyraldism to date providing a resource for theology and Bible students and teachers in an esoteric stream of Reformed theology Bird and

Harrower provide a starting point for anyone who wants to understand the sources and merits of Amyraldism *The Lutheran Quarterly* ,1927 **The London Quarterly Review** ,1880 **The Congregationalist** ,1927 **Historical Dictionary of Methodism** Charles Yrigoyen Jr.,Susan E. Warrick,2005-03-16 In 2003 Methodists celebrated the 300th anniversary of the birth of their founder John Wesley Today there are more than 300 Methodist denominations in 140 nations Covering the activities of this group that plays an important role in the ecumenical movement through its many social and charitable activities in world affairs this book offers more than 400 entries that describe important events doctrines and the church founders leaders and other prominent figures who have made notable contributions It also includes a list of commonly used acronyms chronology of historical events introductory essay on the history of Methodism 15 page black and white photo spread bibliography listing of important libraries and depositories of Methodist materials The impressive list of contributors includes more than 60 specialists who are academics administrators pastors and theologians **Presbyterian Survey** ,1927 The Open Shelf ,1929 **Book Bulletin** Chicago Public Library,1926 *The Publishers Weekly* ,1927 The to Z of Methodism Charles Yrigoyen,Susan E. Warrick,2009-07-23 In 2003 Methodists celebrated the 300th anniversary of the birth of their founder John Wesley Today there are more than 300 Methodist denominations in 140 nations Covering the activities of this group that plays an important role in the ecumenical movement through its many social and charitable activities in world affairs this book offers more than 400 entries that describe important events doctrines and the church founders leaders and other prominent figures who have made notable contributions It also includes a list of commonly used acronyms chronology of historical events introductory essay on the history of Methodism bibliography listing of important libraries and depositories of Methodist materials The impressive list of contributors includes more than 60 specialists who are academics administrators pastors and theologians Historical Dictionary of Methodism Charles Yrigoyen,Susan E. Warrick,1996-07-11 The first major reference work on Methodism since the publication of The Encyclopedia of World Methodism in 1974 Nearly forty Methodist theologians and historians contributed dictionary entries that provide basic information about some of the important persons doctrines events and activities This is an excellent resource on the history of Methodism a must for all theological collections ARBA The writing is clear and informative and the scholarship of uniformly high quality A very useful reference work recommended for any library needing authoritative information on important Christian denominations in the US CHOICE **Among Our Books** Carnegie Library of Pittsburgh,1928 Monthly Bulletin of the Carnegie Library of Pittsburgh Carnegie Library of Pittsburgh,1927
