**Christ-Centered Leadership** David L. McKenna, 2013-05-09 If a leader is a Christian what difference does it make Giant strides have been made in secular leadership theory toward a Christian viewpoint Priority is now given to character as well as competence accountability as well as power transformation as well as transaction and servanthood as well as success But these qualities apply to secular as well as to Christian leadership So the question remains What difference does it make David McKenna finds the answer in the Incarnation of Jesus Christ a divine act for him and a defining attitude for us Philippians 2 11 15 sets the standard and gives the details Your attitude should be the same as Jesus Christ means following his call to the cross where we die to self and sacrifice all self interest in position power and prestige in order to serve obediently faithfully and humbly for the good of others and the glory of God Christ centered leadership is not an extension of the highest and best of human leadership Radical obedience to the call of Christ and utter dependence

upon the Holy Spirit make a substantive difference In the most practical terms Incarnation continues in us when we live fully lead freely and go where he wants us to go      **Leadership in Christian Perspective** Justin A. Irving, Mark L.

*What is an Effective Christian leadership?* Van Lal Thuam Lian, 2016-07-27 Essay from the year 2016 in the subject Theology Practical Theology grade Merit course MA language English abstract This essay is an attempt to suggest an effective Christian leadership by basing on a case study of Christian leadership in Myanmar The essay has three parts The first part tries to find a good definition of leadership Christian leadership and being effective After discussing different definitions made by some prominent writers and leaders I articulate my own definition of an effective Christian leadership The second part highlights the leadership situation in my own context In other words the second part discusses a key issue of Christian leadership in Myanmar where both political and Christian leaders tend to practice authoritarian leadership and my critique on it The final part is seeking an effective leadership for the Christian churches in the light of the key issue of Christian leadership in Myanmar Here I suggest an incarnational leadership which calls the leaders to engage in suffering

dying to their comfort zones as a suitable leadership that will meet the need of the people today      **Team Leadership In Christian Ministry** Kenneth O. Gangel, 1997-01-05 Team leadership is the exercise of one's spiritual gifts under the call of God to serve a certain group of people in achieving the goals God has given them toward the end of glorifying Christ How is your church or organization governed Does it have an authoritarian top down administration Is the ministry vision developed by a few top officials with little input from staff or volunteers Today the definition of an effective leader has changed No longer does the model leader manage like the Lone Ranger either do it his way or no way Today the model leader shares responsibility with fellow team leaders and seeks to serve them In this complete revision of his earlier work Building Leaders for Church Education Dr Gangel carefully lays a biblical foundation for the team leadership model This leadership is not dogmatic control or personality worship It has no room for political power plays Instead it is Paul gently nurturing young Christians in his epistles It is Barnabas willingly thrusting others into situations where they develop their own gifts It is Christ choosing not one but twelve men to carry on His ministry It is servant leadership With examples illustrations and suggestions for further reading at the end of each chapter Dr Gangel prods and encourages the reader to move beyond the safety net of autocratic leadership into the rewarding effective practice of leading with and through others      **Christian Leadership** Bruce P. Powers, 1979      The Christian Leadership Dilemma F.D. Magnelli, 2022-02-01 The Christian Leadership Dilemma addresses how Christians can live in newness of life above victimization judgment and confusion in a world that seems to be barreling forward on a collision course with the very truth indeed the only truth that will make people truly free Both freedom and bondage are in the heart and both are below the surface of the noise of life The Christian Leadership Dilemma addresses the systemic root causes of this dilemma that stems from Christian leaders who are diverted from their heavenly calling through grace and instead adopt a worldly approach to Christianity It notes quality leaders are not to lord over or dominate followers by leveraging power to control them but rather to serve be helpers of their joy and be good examples It also addresses how to settle any issues in the Christian community and how to respond to conflict from within or without the community With this foundation The Christian Leadership Dilemma clarifies what true ministry is and the necessity of obeying God rather than men when it comes to standing upon the Christian's God given justification through the faith of Jesus Christ At times those who have endeavored over the centuries to bring clarity and reform to the Christian community have been accused and maligned because they disturbed the status quo The Christian Leadership Dilemma is intended to echo those voices of reform resounding as the single voice of a choir calling to who truly desire to know how to navigate the Christian experience successfully particularly in times of leadership crises      **Incarnate Leadership** Bill Robinson, 2009-05-26 Helps Christian leaders understand how to provide effective leadership by highlighting five qualities that characterized the leadership style of Jesus Bill Robinson presents convincing arguments that when leaders emulate these qualities they will inspire and empower the people they have been called to lead Reflection and discussion questions

and assessment questions make this ideal for group use Conversational in tone and seasoned with real life stories from his own successes and failures as a leader Robinson helps Christian leaders wrestle with four questions that emerge from John's introduction of Jesus and the word became flesh and dwelt among us Jesus dwelt with those he led how can I be closer to those I lead Jesus disciples beheld him how can I be more transparent with those I lead The glory of Jesus was a reflection of his father am I seeking my own glory Jesus led with grace and truth how can I lead with grace and truth Incarnate Leadership is indispensable reading for anyone in a position of leadership whether in a church setting corporation school board or home The book is packaged as a short one evening read similar to other popular business books

**Christian Leadership I: Modeled after Jesus Christ ,**     *The Christian Leader* Bill Hull, 2016-05-31 What if everything you've heard about leadership is wrong Secular models of leadership rooted in pragmatic success dominate Christian leadership in the West It makes our work impersonal and exploitive And at worst it serves the leader rather than those the leader leads We need a different style of leadership one patterned after Jesus We need to learn to influence others out of our character for that is what Jesus did The Christian Leader is not about improving your church your work or your family it is about changing how you lead It does more than teach you how to modify your behavior it shows you how to change the sources of your behavior your motives and reasons for being a Christian leader In the end as everything you know and believe about Christian leadership is transformed it will lead to transformation in those you lead and serve
