Christ's Call to Discipleship James Montgomery Boice,2013-08-21 Boice describes what it means to live a life of true discipleship recognizing Christ s dominion not only as Savior but also as Lord **The Call to Discipleship** Karl Barth,2003-11-01 In this brief essay drawn from Church Dogmatics Barth articulates what it means to follow Jesus in faith He emphasizes that discipleship involves a detachment from the authority of possessions foregoing the pursuit of personal glory challenging the fear and use of force the dissolution of self evident personal attachments and a better righteousness which goes beyond actions to intentions and practices piety in secret The command of Jesus is issued with all the freedom and sovereignty of grace against which there can be no legitimate objections of which no one is worthy for which there can be no preparation which none can elect and in the face of which there can be no qualification The Call to Discipleship and What It Means to Follow Jesus John K Hulett,2020-10-19 The Call to Discipleship and What It Means to Follow Jesus is based on sound biblical truths Every Scripture verse is inspired by God and given to the Holy Spirit for teaching disciples of Jesus Christ how to live holy and godly lives For some the Truth was made known early on in childhood by the Holy Spirit giving wisdom that leads to salvation through faith which is in Christ Jesus 2 Timothy 3 15 New American Standard Bible NASB

Jesus' Call to Discipleship James D. G. Dunn,1992-06-26 The latest book in the successful Understanding Jesus Today series Dunn explores the original meaning of discipleship in the early Church and then discusses what discipleship should mean for Christians today **Losing to Gain** Carolyn Ridgell Andersen,2015-07-29 In Matthew 16 24-26 KJV says Then said Jesus unto his disciples If any man will come after me let him deny himself and take up his cross and follow me For whosoever will save his life shall lose it and whosoever will lose his life for my sake shall find it For what is a man profited if he shall gain the whole world and lose his own soul Or what shall a man give in exchange for his soul Our life is more fulfilled and meaningful when we surrender our will to God Life definitely will hand you surprises unexpected losses or disappointments but follow Jesus Allow God to take control to lead and guide you in everything concerning your life Only God can take less and do more take nothing and make something out of it And God receives the glory What we consider to be a loss will be a great gain when we are in a relationship with Jesus Christ It is all about accepting his love walking in it living a life that displays it In a relationship with him we learn true humility we develop a prayer life and learn what should have destroyed us only made us stronger You are uniquely gifted and have an assignment to fulfill in the body of Christ As stated

by the Apostle Paul in Romans 12 1 KJV that ye present your bodies a living sacrifice holy acceptable unto God which is your reasonable service and then you will be on a journey destined for greatness **The Call to Follow Christ - Member Book**

Week Five You learn that you are called not just to be a disciple but to be one who makes disciples of others You will come away with the understanding that being a disciple of Jesus is not optional for Catholics it is essential to our identity as members of a missionary Church Jesus showed us how to evangelize and called us to be his disciples Now more than ever it is time to be just like him

True Discipleship John Koessler, 2003-03-01 Most of us would answer No when asked if we were like Jesus How do we become more like Jesus John Koessler believes the answer is by understanding and developing the marks of a true disciple in our lives In *True Discipleship* and the Companion Guide he provides a straightforward presentation of the characteristics Jesus laid out for His disciples As he offers teaching on the practice of discipleship and the responsibility of being a disciple readers will be stretched in their thinking and encouraged in their journey

Conversion and Discipleship Bill Hull, 2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus Being a follower is seen as an optional add on not a requirement It is a choice not a demand Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ In this ground breaking new book pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion answering the call to follow Jesus and discipleship living like the one we claim to follow

Disciples Path: The Call Student Book Lifeway Students, 2015-09 Scripture makes it clear that when a person receives Christ as Savior and Lord he or she is a new creation the old is literally gone and something entirely new has taken its place Accepting Jesus call to discipleship represents a foundational change in a disciple's identity meaning and purpose as well as the way a disciple understands the world The Call answers the question Who am I as a disciple of Christ It begins by exploring who Jesus really is before walking through the priorities of a disciple the cost of a disciple and the fruit of a disciple Far too often we neglect to teach that following Christ is costly True discipleship could end up costing everything but it is worth that and more Like all the releases in the

Disciples Path series The Call uses teaching questions conversation exercise and individual study to facilitate transformational discipleship As you work through this story you will Gain a greater understanding of discipleship by examining the way Jesus disciplined Understand the lordship of Jesus and a greater sense of identity in Christ Realize how a disciple interacts with and responds to the world Learn key biblical passages addressing what it means to follow Jesus Know the cost and true value of following Jesus Disciples Path is a series of resources founded on Jesus model of discipleship Created by experienced disciple makers across the nation it offers an intentional pathway for transformation discipleship and a way to help followers of Christ move from new disciples to mature disciple makers Book jacket The Great Omission Dallas Willard, 2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission the call for Christians to make disciples of all the nations But Christians have responded by making Christians not disciples This according to brilliant scholar and renowned Christian thinker Dallas Willard has been the church's Great Omission The word disciple occurs 269 times in the New Testament writes Willard Christian is found three times and was first introduced to refer precisely to disciples of Jesus The New Testament is a book about disciples by disciples and for disciples of Jesus Christ But the point is not merely verbal What is more important is that the kind of life we see in the earliest church is that of a special type of person All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it The disciple of Jesus is not the deluxe or heavy duty model of the Christian especially padded textured streamlined and empowered for the fast lane on the straight and narrow way He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God Willard boldly challenges the thought that we can be Christians without being disciples or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth He calls on believers to restore what should be the heart of Christianity being active disciples of Jesus Christ Willard shows us that in the school of life we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship an active concrete 24/7 life with Jesus

Discipleship from Jesus's Perspective George Gray, 2012-11-17 In this masterful work George Gray calls the church to live out the most natural expression of her love and obedience to the Master Grounded in careful exegesis comprehensive and sensitive to the complexities of modern life Gray examines the Gospels as a script that reveals not only how Jesus shaped the first disciples but how we must carry on making disciples in His name David B. Capes Thomas Nelson Research Professor Houston Baptist University Discipleship is not about teaching someone to pray and read his or her Bible it is about learning how Jesus wants us to pray and read our Bibles Discipleship is not about the doctrine of the Church but the doctrine of Jesus Christ the head of the Church It is not about attending a church service but attending to the Lord Jesus's view of what it means to be the church In Discipleship from Jesus's Perspective author George Gray presents a guide for becoming a disciple the way Jesus intended that discipleship means adhering to His expressed will

Gray carefully examines Jesus's pivotal statements regarding discipleship and unearths the key principles that transform the art of making a disciple from a subjective guessing game to an objective and definitive master plan. Including purposeful questions and exercises, *Discipleship from Jesus's Perspective* provides practical steps for following the master plan and applying the commands to everyday life to become a true disciple of Jesus. **The Radical Disciple** John Stott, 2012-05-15

In the last book by the leading evangelical churchman of the 20th century, John Stott opens up what it means at root to be a follower of Jesus. He explores eight aspects of Christian discipleship which are too often neglected and yet deserve to be taken seriously: non-conformity, Christ-likeness, maturity, creation care, simplicity, balance, dependence, and death. The message is simple, classic, and personal: Jesus is Lord. He calls. We follow. **Jesus in the Gospels: Study Manual** Leander E. Keck, Nellie M. Moser, 2010-09-01

Study Manual content illuminates some aspect of the Jesus in the Gospels each week and connects Scripture to daily life and Jesus' call to discipleship. The overarching aim is to deepen discipleship through better understanding of the biblical texts and their message. The study helps group members understand that Jesus is rooted in Judaism and the Scriptures of Judaism and that Christianity and the New Testament are rooted in the Scriptures of Judaism, our Old Testament. The Study Manual guides daily study and preparation for the weekly group meeting. The main elements in the format are designated by scriptural phrases. They have no wine. John 2:3 is a brief statement about the human condition and alerts the reader to some aspect of daily life that Scripture can shed light on. Beginning with Moses and all the prophets, Luke 24:27 is a way of referring to Scripture as a whole and signals the fact that we can understand Jesus in the Gospels better by understanding the Old Testament better. Do you want to become his disciples too? John 9:27. New International Version is designed to stimulate thoughtful reflection so readers can come to their own conclusions about what their own discipleship calls for. Accompanying each day's Scripture reading assignments are suggestions of things to look for that take the reader deeper into Scripture. As readers become aware of detail in Scripture, they might ask themselves repeatedly, "What am I to make of this?" The study manual provides space for writing notes on insights, observations, and questions related to the Scripture and for putting into words personal perceptions of Jesus from the week's Scripture. **Jesus Christ, Disciplemaker** Bill Hull, 2004-02-01

Thomas doubted. Peter denied. Matthew had a shady past. And most of Jesus' disciples had trouble understanding his true message and mission at times. How did Jesus take lowly fishermen and tax collectors and turn them into some of the most influential men that ever lived? And how can modern church leaders empower regular church members to meet their potential as servants of God? In *Jesus Christ Disciplemaker*, Hull outlines Christ's methods in training his twelve disciples and presents a biblical pattern that emulates Christ's model for reaching the lost. By taking readers through four growth phases—evangelizing, establishing, equipping, and leading—Hull shows how these principles can be adapted for any discipler. *Jesus Christ Disciplemaker* is the perfect resource for pastors and church leaders who want to learn how to help others grow in God's service. **Discipleship** Bobby Player, 2019-01-11

This manuscript, *Discipleship Led to Led*, is

written to the glory of the Lord and Christ Jesus In the initial call of Christ to men He purposed was a call of discipleship As Jesus walked beside the Sea of Galilee he saw Simon and his brother Andrew casting a net into the lake for they were fishermen Come follow me Jesus said and I will make you fishers of men Mark 1 16 17 Christ s charisma was such that at once they left their nets and followed him v 18 After that He gave the same call to others After He rose from the dead but before He ascended to heaven Jesus gave to these same men and to us the command Go and make disciples of all nations adding the assurance Surely I am with you always to the very end of the age Matthew 28 19 20 This is the true calling and function of the church It is the privilege and responsibility of the whole church to respond in obedience and give the whole gospel to the world The secret of spiritual growth is your focus upon Christ Jesus The Christian focus should be upon the joy that Christ Jesus provides The world cannot provide for believer s true joy Occasionally in this world we find joy Sometimes joy is found when we listened to a piece of music achieve a certain goal or gain promotions of some sort But joy in this world never comes when we selfishly seek for it or tried to buy it The joy always comes from outside of oneself The same holds true in your spiritual growth You cannot grow spiritually through self effort Maybe you can live a cleaner more moral life for a time but spiritual growth is not about that It is about becoming like Christ from within John 17 20 23 reflecting Him and building your relationship with Him Self effort causes you to reflect your own corrupt sin nature because what comes out is what you put in Focus on Christ and you will grow Your understanding of God s word will grow by reading the Bible to know the Author It is not just about knowing about God It is about knowing God Your faith will not grow by believing harder but by focusing on the One in whom you believe Jesus Christ Knowing God will produce a more loving gentler disciple It will change the focus on the source of your spiritual growth Jesus Christ Discipleship will happen when the focus on discipling is on Christ Disciples must confess and abandon all that hinders their relationship with Christ and turn their will over to His
