*Christ's Teaching Concerning Divine Providence* Alexander B. Bruce, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

*Four Views on Divine Providence* William Lane Craig, Ron Highfield, Gregory A. Boyd, Paul Kjos Helseth, 2011-04-19 Questions about divine providence have preoccupied Christians for generations to what degree does God concern himself with and intervene in the affairs of everyday life This book introduces readers to four prevailing views on divine providence with particular attention to the questions of human free will the problem of evil and God s perception of time Volume contributors and their basic viewpoints are Paul Helseth God causes every creaturely event that occurs William Lane Craig through his middle knowledge God controls the course of worldly affairs without predetermining any creatures free decisions Ron Highfield God controls creatures by liberating their decision making Gregory Boyd human decisions can be free only if God neither determines nor knows what they will be Introductory and closing essays by Dennis Jowers give relevant background and guide readers toward their own informed beliefs about divine providence *Four Views on Divine Providence* helps readers think theologically and biblically about all the issues involved in exploring this doctrine The point counterpoint format reveals the assumptions and considerations that drive equally learned and sincere theologians to disagreement with each other It unearths the genuinely decisive issues beneath a philosophically dense debate The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

*The Wesleyan-Methodist Magazine*, 1844 *A Dictionary of Christ and the Gospels* James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is

thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church     *A Dictionary of Christ and the Gospels* James Hastings, John Alexander Selbie, John Chisholm Lambert, 1908     *A Dictionary of Christ and the Gospels: Labour-Zion, with appendix and indexes* James Hastings, John Alexander Selbie, John Chisholm Lambert, 1908     *The Evangelist* , 1899     **The Church Quarterly Review** , 1901     *The Philosophical Review* Jacob Gould Schurman, James Edwin Creighton, Frank Thilly, Gustavus Watts Cunningham, 1900 An international journal of general philosophy     **Teachers' Notes on the Life of Jesus Christ Our Lord** Episcopal Church.
