

FOUR DISCIPLE MAKING ESSENTIALS

THE WORD OF GOD

Scripture is the curriculum by which God transforms our minds so that we know what to believe, how to think and what teachings we are to obey.

THE PEOPLE OF GOD

Disciples of Jesus in a church community focused on relationships that help people to be disciples and make disciples.

THE MISSION OF JESUS

Jesus' last words become our missional priority as we seek to love others and help them to become disciples and grow to be more and more like Jesus.

THE SPIRIT OF GOD

The transformative power is God's Spirit who works through disciples and disciple making so that we become more and more like Jesus.

Christs Way Of Making Disciples:

Christ's Way of Making Disciples Philip G. Samaan, 1999 Explores the dynamic process and progressive steps of Christ's strategy for revitalizing our lives our witness and our church's effectiveness **Follow Me** J Lee Grady, 2022-02-01 God has placed the next generation into our hands Who will raise them up if the church does not This book will teach you how to effectively mentor the next generation of Christians You will learn how to disciple others in their faith while getting outside of your comfort zone to increase your relationship with God If we want to change the world with the gospel we must stop focusing on crowds and events and reclaim Jesus method of relational discipleship Jesus final mandate to His followers was Go and make disciples yet today most of the church is oblivious to what discipleship is and few Christians are actually investing their lives in helping other believers grow spiritually A vast paradigm shift is needed in the church today in order to reach the next generation and advance the gospel in the twenty first century In Follow Me J Lee Grady uses many New Testament examples as well as his own experience in mentoring dozens of young leaders and a clear strategy for discipling others that can be used by individuals and churches Grady makes a compelling case that Christianity was never intended to be a spectator sport where huge crowds sit and listen to one preacher on a Sunday Jesus intended all believers to engage in ministry and this includes the work of discipling other believers So many Christians today live in a box of limitation We must understand that the Christian life is an adventure of the Holy Spirit working through them This book will help believers get out of that box and begin the exciting adventure of spiritual multiplication **Live Like Jesus** Dann Spader, 2019-01-01 Want to make disciples but not quite sure how Learn from the Master Making disciples is tough To walk someone from no knowledge of Christ to a deep transforming relationship that's a challenge But it's our job In Live Like Jesus you will be equipped to follow Jesus masterful strategy of making fishers of men Through an interactive study of Jesus prayer in John 17 and various mission trips in the Gospels you'll learn Three words that capture how Jesus made disciples Seven disciplines of a successful disciple maker How to make the Great Commission a way of life Strategies for making disciples who make disciples You have one life but when you impart it to others for the sake of Christ and in the way of Christ your life will multiply for the glory of God Are you ready Learn how to implement the Live Like Jesus series into your small group ministry and church to build a culture of disciple making Use the Live Like Jesus App and Digital Access platform for videos assessment engagement real time metrics are more download today <https://www.likejesus.church> **Walking as Jesus Walked** Dann L. Spader, 2011-09-01 Jesus must be our model for ministry Sounds obvious right Or is it Jesus in all His humanity and all His divinity shows us the best possible way to live Through the way He lived He modeled the priorities of how to multiply much fruit Following Jesus example His disciples then changed the course of history How then can we follow Jesus example We must study His life How did Jesus pray In what types of relationships did He invest Where were His priorities Can my priorities be His priorities Can I walk like He walked What we do with Jesus MATTERS Global ministry trainer Dann Spader

practically and helpfully walks us through 10 weeks of exciting ministry altering study to really begin to walk as Jesus walked

Everyday Disciple Making Michael Kramer, 2018-08-09 People not programs make disciples The call to disciple making is for every believer not just the ministry professional Jesus modeled disciple making and as His disciples we are called to follow His example Michael Kramer examines all aspects of disciple making and offers a straightforward and simple plan to equip the church He encourages Christians and ministry leaders to think critically about disciple making and to commit to Jesus Great Commission Michael makes the convincing argument that our willingness to engage in personal disciple making will deepen our own walks with Jesus and create a movement within our churches communities and countries that will impact generations for the sake of Christ

Making Disciples Through Home Assemblies, Dwight, Patrice Gillespie, 2022-05-03 Statistics on church growth reveal some startling facts Overall church attendance in America is declining The number of those who claim they are done with churches is growing Those who list none as religious affiliation are increasing After COVID 19 some are reluctant to return to church services in buildings What if you had a way to make disciples for Jesus in your neighborhood Is there a way to reach those who have left the churches or who will not go back to a church building Yes Making Disciples Through Home Assemblies can show you how The book is based on the biblical patterns of the first century disciples who were highly effective in disciple making in obedience to Jesus command to make disciples and be His witnesses Matthew 28 18 20 and Acts 1 8 Studying Acts and other New Testament verses the authors show that those disciples believed that making disciples and growing the Kingdom of God was the number one priority The authors also show that individuals met in homes in the absence of church buildings and that any believer can become a disciple maker for Jesus Making Disciples Through Home Assemblies contains biblical rationale for home assemblies material that can be used for training yourself and others to lead a home assembly and the biblically based study guide for your home assembly meetings is included The material in this book has been extensively tested for over two years with audiences of diverse ages and many individuals have been successful in creating their own home assemblies and making disciples for Jesus across the United States Now you too can start a home assembly and teach others how to become disciples for Jesus

Discipling as Jesus Discipled Dann Spader, 2016-07-15 Want to make disciples but not quite sure how Learn from the Master Making disciples is tough To walk someone from no knowledge of Christ to a deep transforming relationship that s a challenge But it s our job In Discipling as Jesus Discipled you will be equipped to follow Jesus masterful strategy of making fishers of men Through an interactive study of Jesus prayer in John 17 and various mission trips in the Gospels you ll learn Three words that capture how Jesus made disciples Seven disciplines of a successful disciple maker How to make the Great Commission a way of life Strategies for making disciples who make disciples You have one life but when you impart it to others for the sake of Christ and in the way of Christ your life will multiply for the glory of God Ready to learn from the Master

Disciple Like Jesus Phil Maynard, Eddie Pipkin, 2020-05-15 For many congregations there is a lack of clarity about what a disciple is and what a

disciple does Your congregation might find it helpful to have a larger conversation in worship or as a small group series around this theme Disciple Like Jesus could provide the framework for this conversation At the conclusion of each section you will find a set of discussion questions that could support this conversation Small Group Study There are many small groups of different varieties meeting at thousands of churches every week They are forming bonds supporting each other often studying and sometimes serving together And yet many people in many congregations sense there is something missing They just don't know what that might be Disciple Like Jesus could launch them on a new way of engaging life both within and outside of the Church Accountability Group Each of the dimensions of discipleship described in this book includes specific suggestions for behaviors that help develop the life of ways of living like Jesus Accountability is vital to this process Whether through mentoring apprenticing coaching small groups or triads partners can and should process this resource together They should commit to specific behaviors and hold each other accountable for progress Leadership Training The greatest form of leadership in the Church is the leading of disciples toward maturity in becoming more like Jesus There are skills presented in Disciple Like Jesus that can help develop more effective leadership toward this goal In a strong sense every disciple is called to be this kind of leader But those publicly identified as leaders in whatever role have a biblically mandated special responsibility to be modeling this kind of discipleship development Personal Study Disciple Like Jesus provides many tools for exploration for individuals into the ways in which they can become more like Jesus and disciple like Jesus did There are also many references for further study and personal growth We do believe however that while this is a great resource for individual study it is even better to study with a friend or two

Seeking the Lost, Keeping Them, Making Them Disciples
Dr. Benoit Petit-Homme, 2018-08-27 Seeking the Lost Keeping Them Making Them Disciples By Dr Benoit Petit Homme God bless Dr Benoit Petit Homme for all the work he has done in putting this book together I believe that any church or leader who will follow these biblically grounded principles will see beautiful results in changed lives for the kingdom Teresa L Reeve PhD Associate Dean Seventh day Adventist Theological Seminary Associate Professor of New Testament Contexts Andrews University United States of America Dr Benoit Petit Homme's contribution to the discipleship crisis is a compelling re-examination of scripture church history and 21st century pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community

Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord 4

Disciple-To-Disciple Frederick Osborn,2014-12-12 Being a Disciple is only part of what we have been called to we have also been called to go and make disciples This is the Great Commission being salt and light to the world as we make disciples The intended result of being salt and light to the world is to go and make disciples Disciples making disciples is an integral part of the kingdom As disciples teach they are being taught by the Master Disciple to Disciple book and study guide is actually the third in an informal series of teachings on the Kingdom The first in the series is This Gospel of the Kingdom The book and study guide describe the foundational teachings of Jesus Christ concerning the kingdom of God The second book and study guide in the series is called Kingdom Discipleship Kingdom Discipleship defines the six terms of discipleship that Jesus said all who would be His disciple must meet in order to be His disciple Only disciples make disciples and in this part of the series on the Kingdom of God we will set aside some time to learn how Jesus the Master Teacher taught His disciples Disciple to Disciple is an in depth study guide on how Jesus taught His disciples It can be used with or without the book to help us understand how Jesus taught His disciples so that we can be more effective in how we teach others to be like Christ If we teach others to become faithful disciples of Jesus Christ then we will do more than teach them to be mere imitations of their Master but will teach them to be like Jesus in every way When disciples make disciples all will be transformed by the Master And so the process of making disciples who are like Jesus in character and conduct will continue with each new generation of believers **4 Chair Discipling** Dann Spader,2014-08-01 Dann Spader is a disciple maker who has spent his adult life exploring what it means to take someone from being a seeker to making disciples themselves Over 750 000 people

Littleton,2019-04-22 The twenty first century Church has the same Holy Spirit power and many more modern day resources than the first century Church yet the first century Church had greater success in making disciples Why They followed the plan Jesus gave them and He blessed it But the more worldly progress we ve made the more we ve deviated from Jesus s plan by choosing programs entertainment and socials with only surface level encounters We neglect to make a connection with the lost and they see no real commitment from the church So they come and go as we continue to meet and plan more programs To end the cycle we must go and make disciples as Jesus taught investing our lives in the lives of others Do you long to live the Great Commission and make disciples but you re not sure how In *Be a Disciple Make a Disciple* Ellie Littleton offers biblical examples and concepts that break down the hard work of discipleship into sixteen thought provoking lessons So go and make disciples This is to my Father s glory that you bear much fruit showing yourselves to be my disciples John 15 8 niv As the Lord s earthly ministry got under way He began by making disciples and never stopped until He ascended into heaven Had the disciples not followed His example we would not be disciples of Jesus today As Ellie s pastor I ve seen her live out the principles she teaches in this book I highly recommend this book to all Christians so we can all follow Jesus s command to make disciples Rev David Warren South Shelby Baptist Church Shelby Alabama *The Making of Disciples* Zacharias Tane Fomum,2015-03-22 This critically important book is presented by the author as An attempt to provide the needful for the Lord s call to make disciples It is a statement of the revelations doctrines methods and principles of discipleship aimed at helping anyone to experience discipleship and thereby lead others to grow in a way to become active workers in making others into disciples of Jesus Christ It is a book to read and recommend to any servant of God cognizant of the glorious mission that the Lord Jesus Christ has entrusted to His church Therefore go and make disciples of all nations Finally the making of disciples is all about the work of transforming a sinner into a repentant sinner a repentant sinner into a convert a convert into a young disciple leading the young disciple to spiritual maturity and finally helping him to become a disciple maker This book is highly recommended to the body of Christ *Making Disciples* Ralph Moore,2012-12-21 The

Making Disciples in the Twenty-First Century Church Joel

Comiskey, 2013-12-02 We know that the goal of the Christian life is to glorify God and to enjoy him forever While this is God s ultimate plan does he have a particular purpose for the cell based church I ve been wrestling with this question for the past twenty two years This question confronts me every time I coach a pastor or pastors In preparation for coaching I ask myself What is my principal objective in helping this pastor Where am I guiding this church What am I trying to do I ve come to the conclusion that the primary goal of cell ministry is to make disciples who make disciples Christ s last command to his disciples was for them to repeat the process and to reproduce new disciples But how were they supposed to do that This book answers these questions The early church followed Christ s pattern by making disciples through the house churches that periodically celebrated together in public worship In 2 Timothy 2 1-2 Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and women Even though the term disciple is later replaced by words such as brothers sisters Christians and saints the concept remains the same We in North America and the Western world often project our own cultural bias into Christ s great commission Matthew 28 18-20 Most discipleship books in fact assume that discipleship is an individualistic endeavor between me and God And yes there is an important individual aspect e g personal devotions etc Yet in Matthew 28 Jesus was talking to a group of disciples He wanted them to follow his example by making disciples in a group Jesus molded twelve disciples in a group and then sent them house to house So how does the cell church make disciples In this book I show how the cell small group works together with the cell system to make disciples who make disciples In the cell a potential disciple is transformed through community priesthood of all believers group evangelism and team multiplication In the cell potential disciples are formed through learning how to love one another exercising their gifts evangelizing together as a group and then sent forth as teams to start new groups Discipleship is a group process in the New Testament and God is calling his church to re-emphasize this truth The cell system ensures each leader has a coach and that training equipping track happens Then the cells gather together to worship and grow through the teaching of God s Word All three aspects are essential to form disciples Training is needed because disciples won t learn all they need to know in the cell Coaching ensures that each leader is cared for and receives shepherding The celebration service brings the cells together to hear God s Word worship and receive fresh vision The goal of the two-wing cell church is to make disciples who make disciples The cell church today makes disciples by following the early church pattern of cell and celebration Recommendations I ve read all of Joel Comiskey s books but Making Disciples in the Twenty-First Century Church is his best

work yet In this book Joel reminds us that the real call and challenge of the Church is not developing leaders or numerical growth but making disciples who make disciples He also helps us understand why that is best done in a cell or small group context and gives us great insight about how to make that happen I m looking forward to having all of our Pastors Coaches and Cell Leaders and Members read this book in the near future Dennis Watson Lead Pastor Celebration Church of New Orleans ____ I am so excited about Joel Comiskey s new book Making Disciples in the Twenty First Century Church When I m asked what makes a cell church thrive I always say discipleship Thank you Joel for unpacking discipleship not just as an endeavor for individuals but as the critical element for creating a church community and culture that reproduces the Kingdom of God all over the earth I pray this book won t only be read but lived out as we were made to make disciples Jimmy Seibert Senior Pastor Antioch Community Church President and Founder Antioch Ministries International ____ I really like that Joel asked the Why question before the How question He even takes on the What question which is just as important The interest in discipleship is greater now than anytime in the last fifty years I fear however that we are using the same words but are not speaking the same language I recommend this work I cheer Joel on he joins many of us who are masters of the obvious It seems so obvious that our purpose is to be disciples and make disciples I cheer him on because he goes beyond the What and Why and does address the How This will help any person who reads it and I pray that there will be many Bill Hull Author of Jesus Christ Disciple Maker Disciple Making Pastor Disciple Making Church and The Complete Book of Discipleship Adjunct Faculty at Talbot School of Theology Biola University ____ The history of the cell church movement in Brazil has many names of great man of God Joel Comiskey certainly is one of them We see how over the years his understanding of the New Testament Church has deepened Again Joel surprises us with this jewel He covers many aspects of cell church life showing us how discipleship relates to the broader scope of it and how to shape followers of Jesus He takes us to the heart of the matter of the cell church as he states it The purpose of cell ministry is making disciples who make disciples Excellent book The movement in Brazil certainly will be blessed through this book Enjoy it Robert Michael Lay Cell Church Ministry in Brazil Pioneer in the cell movement in Brazil and publisher of Joel s books __ In his tremendously helpful new book Making Disciples in the Twenty First Century Church Joel Comiskey cuts directly to the core purpose of cell ministry which is making disciples who make disciples Then he tells us how to do it through the Cell Based Church Like Joel s other books Making Disciples in the Twenty First Century Church is solidly biblical highly practical wonderfully accessible and is grounded in Joel s vast research and experience Great job Joel Dave Earley Lead Pastor Grace City Church of Las Vegas Nevada Author Eight Habits of Highly Effective Small Group Leaders Adjunct Professor Liberty Baptist Theological Seminary __ For more than twenty years Joel Comiskey has served the cell church movement He has helped scores of congregations move from being traditional churches to communities where edification and harvest occurs Twenty years Now he combines two decades of observation as his capacity as a researcher He has scoured many books to assemble wise counsel for us His discussion of

how community varies from culture to culture is indeed penetrating As I read through the pages I mentally noted specific Christian workers who need to read these pages Thanks Joel for the way you allow the King to speak through you to enlarge His Kingdom on earth Ralph Neighbour Jr key pioneer of the cell church movement ____ Joel Comiskey continues to deepen our understanding of the cell based church In Making Disciples we are equipped to carry out the Great Commission at maximum capacity Get ready to have your vision for ministry strengthened and expanded Andrew S Mason Small Groups Pastor Thrive Church Elk Grove CA Founder SmallGroupChurches.com ____ As one of the world's leading experts on cell based churches Joel Comiskey is well placed to show how New Testament style disciple making works His decades of experience in fields of ministry all over the world confirm that every member ministry and personal investment in disciples are God's pathway to true maturity and expansion of the kingdom of God This well written book deserves attention from every serious Christian Dennis McCallum Author Organic Discipleship *Intentional* Brandon Guindon, 2023-09-12 Rediscover the intentional disciple making methods of Jesus Christ Today churches and their leaders relentlessly pursue innovation of the next new idea that will somehow capture the attention of the spiritually lost yet very few Christians know how to walk out a day to day lifestyle of intentional disciple making Drawing from decades of experience making disciples pastor Brandon Guindon will show you how Jesus call to Go and Make Disciples can become more than just a vague church slogan when we relearn the discipleship methods that Jesus modeled for us Intentional introduces eight principles of disciple making exposing their gospel roots and practical nature principles such as Listening with the genuine intent to understand different voices and experiences Looking for and developing the potential in others Knowing when to firmly speak the truth and when to allow yourself to be interrupted Living a lifestyle of discipleship yourself Jesus Christ intentionally disciplined twelve people every day for three and a half years and then commanded us to go and make disciples as well And he empowered us by sending us the indwelling Holy Spirit to guide us The early church thrived and expanded by imitating the intentional relational methods Jesus modeled yet somewhere along the way we lost sight of the simple truth that Jesus methods of disciple making are as holy as his message It's time relearn those methods examine the obstacles in our lives that prevent us from imitating the ancient ways of Christ and approach all our relationships differently making disciples in Jesus name and growing spiritually in the process
