The Nature of Business Transformation Richard Kelly, 2022-03-17 This book is a practical guide for business professionals to develop and improve business intelligence and collective decision making within their organisation It proposes a progressive reconfiguration of the traditional business operating system using a nature inspired framework called swarm facilitation that enables and facilitates collective decision making Organisations have followed the same rigid formula of problem solving and decision making for over 100 years It is dominated by centralised governance and pyramid decision making Such an approach is no longer fit for purpose in an environment of employee disengagement artificial intelligence AI superintelligence and Covid 19 fallout By the end of this book readers will be able to solve organisational problems and challenges collectively using swarm intelligence upgrade and future proof business

operating systems to reflect a more collective decision making approach fit for the new connected economy and Industry 4.0 embrace mindset quotients that support people working in a more networked self organising and collective environment The book is important reading for leaders and managers who are focused on building organisational capital and engagement and gaining value from the emerging technology by evolving their business operating system into a digital ecosystem as part of an ongoing digital transformation strategy It will also appeal to experts working in the field of organisational change and development both within the organisation and as consultants

The Anti-Ableist Manifesto Tiffany Yu, 2024-10-08 I defy anyone who reads this powerful and urgently needed manifesto not to be galvanised into action Sophie Morgan TV host and author of *Driving Forwards* A call to arms not just for the disabled community but for every single one of us Dr Shani Dhanda broadcaster and author An actionable antidote to fear and misconceptions Service95 In *The Anti Ableist Manifesto* Tiffany Yu highlights the myriad ways in which our society discriminates against people with disabilities and what we can do about it Foregrounding disabled identities that have too often been rendered invisible she demonstrates how ending discrimination begins with self reflection From recognising biases to understanding microaggressions *The Anti Ableist Manifesto* teaches us how to deconstruct ableism at work in our communities and within ourselves Featuring a foreword by Dr Shani Dhanda as well as contributions from disability advocates entrepreneurs and more *The Anti Ableist Manifesto* is an essential guide to going beyond mere awareness and becoming actively anti ableist

Handbook of Anthropology in Business Rita M Denny, Patricia L Sunderland, 2016-06-16 In recent years announcements of the birth of business anthropology have ricocheted around the globe The first major reference work on this field the *Handbook of Anthropology in Business* is a creative production of more than 60 international scholar practitioners working in universities and corporate settings from high tech to health care Offering broad coverage of theory and practice around the world chapters demonstrate the vibrant tensions and innovation that emerge in intersections between anthropology and business and between corporate worlds and the lives of individual scholar practitioners Breaking from standard attempts to define scholarly fields as products of fixed consensus the authors reveal an evolving mosaic of engagement and innovation offering a paradigm for understanding anthropology in business for years to come
