Christian Believing:

Living Belief Douglas F. Ottati, 2022-06-07 A leading theologian's concise guide to the beliefs, commitments and practices of Christianity. What do Christians believe? But also what do they do and feel? With decades of experience teaching the essentials of Christian faith, Douglas Ottati still finds these questions and more like them dynamic and compelling. In *Living Belief*, he moves beyond trite answers, drawing from the deep well of tradition to offer up wisdom from the Apostles' Creed, the Ten Commandments, the Sermon on the Mount, and the Lord's Prayer. In so doing, Ottati explores key Christian themes such as creation, redemption, and love of neighbor, enemy, and the weak and dependent. Concise and approachable, *Living Belief* makes no claims to be a definitive account of Christianity but rather attempts to introduce a faith that remains a source of meaning and direction that orients, encourages, and assures, that supplies moral standards and calls for contrition and that furnishes grounds for perseverance and hope. In connection with each chapter, Ottati includes questions for discussion so that readers, those revisiting the core components of their Christian faith and those learning about it for the first time, can together continue the work begun here of understanding the multifaceted life of devotion that is Christianity.

Do You Really Believe What You Say You Believe? Rodney Hobson, 2019-02-21 A Christian's growth is dependent on what they say they know regarding Christ and what they say they believe about Christ and the application of those beliefs in their circumstances. The Bible is filled with examples of men and women who believed in God and Christ yet struggled to believe what they heard, read, and said they believed. Abraham and Sarah, Zechariah, Jesus' disciples, Paul, and others had issues of believing what they heard or what was written in scripture. What does it mean when a person says, "I believe in God"? How does unbelief affect what a Christian believes? Does what a person believes limit their ability to produce the truths of Christ and its results in their lives? This book is written to explore the challenges of believing the Word of God and learning how to produce the results of those beliefs in their lives.

An Inquirer's Guide to Christian Believing Gunnar Urang, 2005-01-17 Living by a biblical faith requires of us a yes, a yes to the God continuously present to us within the life opportunities continuously offered us. Questions of belief in contrast require a yes and no. Genuine faith declares. Brother David Steindl Rast holds its beliefs firmly, yes, but ever so lightly. And the "I don't mean maybe" has to do with the intensity in our questioning. Our ultimate concern, after all, is living a relationship in which we know ourselves not just as those who ask questions but as those who are the question and seek to know God not just as the one who gives answers but the one who is the answer. This book consists of a series of questions about basic Christian beliefs, the answers to which have been and continue to be controversial. Each chapter will try to make clear why the answer to its particular question has to be a yes and no and how the response can also include, nevertheless, an emphatic "And I don't mean maybe." For those with some knowledge of Christianity but finding themselves confused about certain beliefs they have been led to identify as Christian, this book can provide a greater clarity in their understanding of this familiar yet strange religion, thus addressing perhaps what pollster George Gallup Jr. identifies

as the knowledge gap in the religious experience of Americans the often vast difference between Americans stated faith and their lack of the most basic knowledge about that faith Non Christians may find here a useful survey of Christian belief presented in nontechnical style and noncoercive rhetoric *Christian Believing and Living: Sermons* Frederic Dan
