Christian Doctrine Vol 3 A Pentecostal Perspective:

Types of Pentecostal Theology Christopher A. Stephenson, 2016-10 In this the first critical study of the major theologians of pentecostalism Christopher A Stephenson establishes four original categories that classify recent pentecostal theologians methodologies in systematic constructive theology

Essentials of Pentecostal Theology Tony Richie, 2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus Arguably an acute need has arisen for identification and evaluation of the Pentecostal movement's original and ongoing theological essentials What is Pentecostal theology really all about anyway This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers worship of God in prayer and praise in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit Authentic implementation if not explicit articulation of fervent Pentecostal theology often occurs in the vitality of local churches house fellowships and various mission settings in America and around the world Birthed in the fires of revival movements essential Pentecostalism including Pentecostal theology continues to burn brightest wherever it is fueled most directly

Christian Doctrine French L. Arrington, 1994-11-01 A basic exposition of the Christian faith with an emphasis on the vital role of the Holy Spirit in the life of the Christian and in the worship and ministry of the church

The Doctrine of the Holy Spirit Yacob Godebo, 2025-07-03 The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit's presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha

Paul, the Community, and Progressive Sanctification James M. Howard, 2007 What role does the Christian community play in the process of growing in Christian maturity This book argues that in Pauline theology the redeemed community is a necessary means for the

progressive sanctification of the individual believer an idea that is largely misunderstood in parts of the Western church It evaluates foundational theological considerations traditionally omitted from sanctification studies and places them within the context of Pauline theology Included are the missiological nature of holiness the initiatory character of God the creation of the new humanity as reflecting the image of God and the impact upon the church resulting from the radical redefinition by Christ of the cultural symbols surrounding the Jewish temple system This book offers a corrective to the individualized approach to Christian growth For Paul the focus of God s transformative activity culminates with the community rather than the individual the goal of which is to reveal God s glory to the broader creation **African Charismatics** Johnson

Asamoah-Gyadu,2004-10-01 This volume examines Pentecostal charismatic renewal in an African context Ghanaian Pentecostalism in its modern charismatic form has become the most visible expression of renewal within indigenous Christianity The book first articulates the contribution of the older African initiated churches AICs to local Christianity arguing that in spite of a present decline the AICs have left an enduring theological imprint on indigenous Christian expression Furthermore it accounts for the rise of the new independent churches the charismatic ministries These have been proliferating across the West Africa sub region since the late 1970s In addition to this the book explores how the emphases of the new Ghanaian charismatics internationalism transformation prosperity healing and deliverance provide useful insights into the nature of modern African Pentecostal spirituality **Saved, Delivered, and Healed** Tony Richie,2022-08-30 Should

a Christian doctrine of salvation be concerned with this life or the life to come With forgiveness of sins or deliverance of sinners With the saving of the soul or the healing of the body Should it focus on the person and work of Jesus Christ or on the presence and power of Holy Spirit To all these questions and more Tony Richie s Saved Delivered and Healed Introducing a Pentecostal Doctrine of Salvation answers Yes Then it proceeds to present from the Scriptures from Pentecostal theology and spirituality and from decades of pastoral and personal experiences and academic insights an energetic and holistic view of salvation grounded in the wisdom goodness and power of God Its constant focus is God s ultimate redemptive purpose in Jesus Christ by the power of the Holy Spirit for the lives of real human beings living in the real world If you have ever wondered what Christian salvation actually means and how it actually works then this book is for you **Call to Mission**

and Perceptions of Proselytism John Baxter-Brown,2022-04-13 Proselytism remains one of the most divisive issues in global Christianity jeopardizing many ecumenical initiatives and projects Almost all traditions accuse others of proselytism but none readily confess to it as one tradition s mission and evangelism is another s proselytism This work brings together for the first time significant formal statements from Christian bodies and churches alongside articles from leading commentators in this hotly contested issue It gives clergy academics and students a vital resource in understanding the perspectives of different traditions and therefore the opportunity to study and understand viewpoints and opinions from competing perspectives The volume originates in a process of work commissioned by the World Pentecostal Fellowship the World

Council of Churches the World Evangelical Alliance and the Roman Catholic Church under the auspices of the Global Christian Forum We discovered that there are no easy answers that resolve the tensions and debates about proselytism but through listening and understanding different voices new opportunities for establishing constructive relationships can and do emerge
