Christian Legends

Christian Legends

J. Rendel (James Rendel) 1852-1 Harris

Christian Legends:

The Christian Mythology Brigham Leatherbee, 2020-09-28 That Christianity as to day presented by the orthodox is far different from the Christianity promulgated by the early fathers few are so blinded as to doubt Christianity like all other religions came not into the world full grown but from the simple conceptions of its early followers became gradually elaborated by the introduction of pagan forms and customs until it supplanted its early rivals and gave its adherents a compact and solid theology not very different from that of its predecessors However before considering the genealogy of Christianity or its heirlooms from paganism let us turn our attention to what were presumably the beginnings of the religious views of mankind Probably the true source of that human characteristic which is defined as the religious instinct and which is supposed to be an elevating and moral agent is to be found in the superstition which originated in fear of the unknown The first ages of human life were so devoted to the animal needs that little attention was given to anything else but later the craving for protection and help from some power greater than himself led primitive man to look about him for something to sustain and aid him in his struggle for existence Surrounded by natural phenomena of which he could give no explanation satisfactory to his experience he came to the conclusion that he was in an environment permeated with bodiless intelligences who governed these matters by supernatural power Awed to fear by the inexplicable workings of nature he sought to propitiate the spiritual agencies by bribes and he did all things for them which he thought would be agreeable to them to keep them in good natured interest or indifference toward him And naturally he considered that what would be pleasing to himself would be pleasing to them Therefore his offerings and his conduct towards these spirits were such as he would have desired shown toward himself Death and its imitation sleep being the greatest mysteries confronting him he naturally began to consider the spirits of the dead with whom he seemed to have intercourse in his dreams as being influential factors in his career and thus originated ancestor worship with its highly developed rites and sacrifices which in a modified form still exists in the Roman church in the practice of reading masses for the souls of the dead At the same time noticing the great benefits derived from the warmth of the sun to whose rays he owed his subsistence and whose glorious and awful presence was constantly before him man began to feel grateful to that mighty power which was the source of all his welfare and appreciating that all terrestrial life depended upon it he came to recognize it as the great creative power *Christian Legends*, 1884 **The Dioscuri in the Christian Legends** J. Rendel (James Rendel) 1852-1 Harris, 2018-10-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly

blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Commentaries on Hebrew and Christian Mythology Parish B. Ladd,1896 Ladd s commentaries on the mythological aspects of Judaism and Christianity are illuminated by his depth of scriptural knowledge and thorough researches This eclectic work examines extant writings of a variety of ancient civilizations to shed light upon the myths and stories of the Hebrews Ladd looks into the ancient Chaldeans the Egyptians the Greeks and even the Hindus of the East to arrive at his conclusions The author s desire is to uncover how Judaism and later on Christianity began in the context of the religious and cultural events which preceded their establishment Spending years amid volumes of disparate and obscure sources Ladd sought to condense and combine their insights into this single book that curious readers may discover such history with relative ease Individual monuments and stone tablets plus surviving examples of writing upon papyrus are among the original sources Ladd consults The Bible from the life of Moses and the Exodus from Egypt onwards is examined at length The author disagreed with the conventional explanations whether regarding the life of certain figures or the authorship and origins of various texts Thus much of this work seeks to validate and support the author s assertions to the farthest extent possible

The Christian Mythology E. B. Leatherbee,2020-07-16 The Christian Mythology is a study on the Christian folklore and how much the heathen rituals influenced the development of a certain version of Christianity in different parts of the world The goal of the work was to show that the modern religion doesn t offer much new or different from what has been believed in the many epochs of the past Religious feelings of primitive man were driven by fear and superstition and the various forms of worship predominated in different geographical situations Christianity like all primitive or modern religions leans on the ancient myths and legends taking a somewhat different version in various geographical locations but with the same form as every religious system

The Apocryphal Jesus J. K. Elliott,2008-07-10 Jesus s childhood escapades and graphic descriptions of the torments of Hell this book introduces readers to a selection in a modern translation of the many interesting and bizarre stories about Jesus and his followers which make up the Apocryphal New Testament stories which have profoundly influenced aspects of later Christian doctrines

Christian Mythology George Every,1987

Christian Mythology Philippe

Walter,2014-11-20 Reveals how Christian mythology has more to do with long standing pagan traditions than the Bible Explains how the church fathers knowingly incorporated pagan elements into the Christian faith to ease the transition to the new religion Identifies pagan deities that were incorporated into each of the saints Shows how all the major holidays in the Christian calendar are modeled on pagan rituals and myths including Easter and Christmas In this extensive study of the Christian mythology that animated Europe in the Middle Ages author Philippe Walter reveals how these stories and the holiday traditions connected with them are based on long standing pagan rituals and myths and have very little connection to the Bible The author explains how the church fathers knowingly incorporated pagan elements into the Christian faith to ease

the transition to the new religion Rather than tear down the pagan temples in Britain Pope Gregory the Great advised Saint Augustine of Canterbury to add the pagan rituals into the mix of Christian practices and transform the pagan temples into churches Instead of religious conversion it was simply a matter of convincing the populace to include Jesus in their current religious practices Providing extensive documentation Walter shows which major calendar days of the Christian year are founded on pagan rituals and myths including the high holidays of Easter and Christmas Examining hagiographic accounts of the saints he reveals the origin of these symbolic figures in the deities worshipped in pagan Europe for centuries He also explores how the identities of saints and pagan figures became so intermingled that some saints were transformed into pagan incarnations such as Mary Magdalene s conversion into one of the Celtic Ladies of the Lake In revealing the pagan roots of many Christian figures stories and rituals Walter provides a new understanding of the evolution of religious belief

The Christian Mythology Brigham Leatherbee, 2015-06-02 Excerpt from *The Christian Mythology* That Christianity as to day presented by the orthodox is far different from the Christianity promulgated by the early fathers few are so blinded as to doubt Christianity like all other religions came not into the world full grown but from the simple conceptions of its early followers became gradually elaborated by the introduction of pagan forms and customs until it supplanted its early rivals and gave its adherents a compact and solid theology not very different from that of its predecessors However before considering the genealogy of Christianity or its heirlooms from paganism let us turn our attention to what were presumably the beginnings of the religious views of mankind Probably the true source of that human characteristic which is defined as the religious instinct and which is supposed to be an elevating and moral agent is to be found in the superstition which originated in fear of the unknown About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Christianity and Mythology John Mackinnon Robertson, 1900

The American Renaissance Reconsidered Walter Benn Michaels, Donald E. Pease, 1989-09 The term American Renaissance designates a period in our nation s history when the literary classics appeared works original enough to mark a beginning for America s literary history But the American Renaissance Donald Pease argues in his introduction does not belong to the nation s secular history so much as it denotes a rebirth from it Independent of the time kept by secular history the American Renaissance keeps what we could call global Renaissance time the sacred time a nation claims to renew when it claims its cultural place as a great nation existing within a world of great nations Providing each nation with the terms for cultural greatness denied to secular history the renaissance is not an occasion occurring within any specific

historical time or place so much as it is a moment of cultural achievement that repeatedly demands to be reborn The American Renaissance Reconsidered examines this demand for rebirth in terms other than those ordained by the American Renaissance itself In the seven pieces collected here it is reborn not outside of but within America s secular history as the authors examine anew the period of the American Renaissance and the period in which its history was written Contributing authors are Eric J Sundquist Jane P Tompkins Louis A Renza Jonathan Arac Donald E Pease Walter Benn Michaels and Allen Grossman *Christ Lore* Frederick William Hackwood,1902 **Hero Tales and Legends of the Serbians** Woislav M. Petrovitch,Vuk Stefanović Karadžić,1914 A collection of Serbian folk tales preceded by background to the history and cultural traditions of the Slavic people including short essays on good and evil spirits vampires superstition Christmas Eve wedding rites etc The Legends of the Jews Louis Ginzberg,1928 Constantine the Great and Christianity Christopher Bush Coleman,1914 *The Dioscuri in the Christian Legends* J. Rendel Harris,2014-03 This Is A New Release Of The Original 1903 Edition **Islam and the Divine Comedy** Miguel Asín Palacios,1926 **The Ethnic Trinities and Their Relations to the Christian Trinity** Levi Leonard Paine,1901 The Impact of Yom Kippur on Early Christianity Daniel Stökl Ben Ezra,2003 Revision of the author s thesis Ph D Hebrew University Jerusalem 2002 **The New World** ,1899
