The Christian System Alexander Campbell,2020-12-02 Alexander Campbell explains the tenets and principles of the Christian faith drawing upon decades of experience as a minister author and leader of the Restoration Movement As one of the first Christians in North America to undertake mass distribution of the written word Campbell understood how spreading knowledge and insight cemented God's cause This work serves as a summation of Christianity explaining the significance of the Holy Bible God as Creator and spiritual knower of all and the life of his Son on Earth Jesus Christ Designed as an informative guide steeped in scriptural wisdom The Christian System is both a wellspring of religious knowledge and a historic landmark of American Christian authorship This edition also includes several lectures and pamphlets delivered by Alexander Campbell over the course of his life Their topics range from the treatment and forgiveness of sin to the holy sacraments taken in church to the spiritual regeneration and rebirth of a man repentant and reformed in God's image Fittingly the book concludes with a rallying call to Christian faithful to the sons and daughters of the Lord mindful and strident in emulating the Kingdom of God A celebrated figure in the Revivalist movement of the mid 19th century many modern churches in the USA trace their origins to the efforts of Alexander Campbell and his fellow leaders **The Role of Grace In the Thought of Alexander Campbell** William J. Richardson,2005-03-30 Despite his strong emphasis and personal dependence upon the grace of God as manifested in Jesus Christ Alexander Campbell's views stood in marked contrast to those of the Reformed tradition especially as manifested in the revivals of the second Great Awakening in America A study of his views on this subject has relevance in the present context **Religious Books, 1876-1982** R.R.
