Brian Hebblethwaite

Christian Hope:

Christian Hope John Angell James, 1859 A Sermon on the Foundation of Christian Hope; illustrated in the case of the conversion of the jailer at Philippi CHRISTIAN HOPE., 1834 *The Christian Hope* Brian Hebblethwaite, 1984 What does it mean to hope for heaven Brian Hebblethwaite traces the background to the Christian hope in the faith of Israel examines its primary basis in the acts of God in the story of Jesus Christ and follows the history of Christian attitudes to the future of humanity and of creation throughout the Christian centuries The Christian Hope tells the complex story of the different strands emphases and problems that have developed between biblical times and our own in the quest to understand the four last things death judgement heaven and hell Hebblethwaite concentrates our attention on the modern period since 1900 an era when modern Christian theology has witnessed a remarkable recovery of interest in hope and the future as dominant motifs in its reflections The discoveries of modern science have affected Christian hope and Christian understanding of creation and its ultimate destiny At different stages in the history of the church very different stresses have been laid on the present or on the future on hope for the individual or on hope for society on this worldly hope or on other worldly hope Through a study of the basis of Christian hope and of the history of its interpretation Hebblethwaite aims to present a balanced view of these different elements in the Christian tradition and a credible eschatology for today A Heart for the Future Robert Boak Slocum, 2018-02-20 Apart from impressive liturgical expressions every year in Advent and one stirring statement called The Christian Hope which concludes the Prayer Book Catechism the Episcopal Church is not known for its formation and application of eschatology the doctrine of last things A Heart for the Future Writings on the Christian Hope may change that The distinguished and diverse contributing authors including Robert M Cooper Robert D Hughes Harold T Lewis Fredrica Harris Thompsett Paul F M Zahl and Robert Boak Slocum who is also the general editor differ widely in method meaning and approach They are very much alike however in the rigor with which they profess their faith in the Christian future avoiding the simplistic eschatology that would cleave the Body of Christ in two by creating a false dichotomy between walking with God in this world and walking toward God in the next The choice Christians must make is not between the now and the external it is between being forward looking and being backward looking Unless we look with eagerness and longing toward the future we will stay stranded in the past To live the Christian life today we need A Heart for the Future

Christian Hope among Rivals Michael W. Zeigler, 2017-08-29 Hope is a widespread if not a universal human experience For centuries followers of Jesus of Nazareth have ordered their lives around a central hope How is their experience similar to or different from others who live by hope This book seeks an answer in the idea that living by hope involves living within a peculiar story of the world an incomplete story The stories that shape these hopes are threatened by evil however it may be defined The hopeful struggle as characters caught up in plots that move toward resolution They exercise an as yet unverified hope that evil will not prevail In this regard the hope of Christians is similar to others Yet it is

different because they wait for the God of Jesus to transform the world to match the promise he made to Abraham To arrive at this conclusion this book takes a detour through four model life organizing stories Christians and participants in other stories of the world may not agree on the ultimate ground for hope However taking a detour into the hopeful experience of another may help uncover a place where rivals can stand together long enough to talk Christian's Hope Ervin R. Stutzman,2016-10-11 When Christian Hochstetler returns to the Amish after seven years in captivity he finds that many things have shifted Captured as a child during the French and Indian War Christian has spent much of his life among Native Americans who cared for him and taught him their ways Now that Christian is home his father wants him to settle back into their predictable Amish life of farming and Christian s budding friendship with Orpha Rupp beckons him to stay as well Yet Christian feels restless and he misses his adoptive Native American family who raised him as their own son When faced with a life altering decision will Christian choose the Amish identity that his father desires for him Or will he depart from his family and faith community yet again Christian s Hope tells the story of the younger brother of Joseph and son of Jacob whom readers have come to love in the first two books in the Return to Northkill series Based on actual events and written by a descendant of the Hochstetler family Christian s Hope brings the sweeping epic of the Return to Northkill series to a soul stirring end Free downloadable study guide available here The Purifying Influence of a Christian's Hope. COLBURN,1820 **Christian Hope in Context I** A. van Egmond,Dirk van Keulen,2019-12-30 The International Reformed Theological Institute IRTI was founded in 1995 Its purpose is to create a platform where Reformed theologians from all over the world can meet each other become acquainted with each other s work discuss theological issues and stimulate each other in scholarly theological research The members of IRTI present their work in the series Studies in Reformed Theology Thus the volumes of this series offer a perspective on the theological insights and spirituality of Reformed theologians all over the world The fourth and fifth volume of the series Studies in Reformed Theology contain the contributions to the third international conference of the IRTI Leading theme of the conference was Christian Hope in Context The fourth volume contains contributions from the perspective of historical research biblical theology systematic theology and the relation between biblical and secular literature All articles in one way or another reflect the cotnext of the author *Some Reasons of Our Christian Hope* Edward Thomas Vaughan,1876 **Light in the Darkness** Peter Sills,2020-07-01 An exploration of Christian hope for today taking to heart the petition in the Lord s Prayer that the Kingdom shall come on earth as it is in heaven Hope is not just for the world to come but also for the here and now *Christian Hope* John Macquarrie,1978 **Grounds of Christian hope** Stanley Leathes,1877 *What is the Christian's Hope?. , A Hope-Filled Life* James R. Wilkes,2021-03-02 Hope is part of the spiritual vocabulary of the believer in Jesus Christ The word is found abundantly in the Scriptures We speak of it in our testimonies and fellowship We sing about it in our corporate worship Yet it would seem at times that our concept of hope is understood in merely some vague way Hope seems like an

abstraction something we consider only theoretically not something that really matters or makes a difference However biblical hope is a gospel grace that provides joy and endurance for our lives right now A Hope Filled Life seeks to define biblical hope and provide a practical theology for understanding and applying it to our lives Hope is indeed not an optional add on but a vital necessity Embracing the many truths about hope in the Scriptures strengthens our hearts As we run the race set before us we must grow in our understanding that Jesus Christ is truly our great Savior and our sure and steadfast hope **The Christian Life and Virtues, Considered in the Religious State** Charles Gay (Bishop of Anthedon.),1878
