Finley, 2005 *Into God's Presence* Liz Babbs, 2004-12 A book for Christians who want to learn how to meditate and so draw closer to God Christian meditation is a deep form of prayer that can lead to direct communion with God not focused on experiences or requests but on surrender **Contemplative Prayer at Work in Our Lives** Geoff Colvin, 2021-05-24 While

many practicing Christians are relatively satisfied with their prayer life others are not The latter often find their prayer practice has dried up Their traditional forms of prayer at churches have become routine and empty In a very real sense there is a void in their spiritual lives They want a deeper union with God yet experience an unsettling estrangement with their current pathway in prayer In *Contemplative Prayer at Work in Our Lives* Geoff Colvin draws on his own experiences studies of spiritual literature and participation in retreats and meditation groups to unravel the challenging practice of contemplative prayer a unique form of meditation involving very few words in silence and stillness Contemplative prayer centers on the fundamental belief that God dwells not only in the world at large but also at the center of our being This book offers

Christians an approach for understanding contemplative prayer followed by hands on detail for developing and sustaining a practice that hopefully leads to a richer and fuller spiritual journey to union with God *Recapturing an Enchanted World*

This book is the sequel to William D Watkins previous book *The Busy Christian s Guide to the Deeper Life* It encourages focused Christian living and discourages legalism Watkins says The spiritual disciplines are not an end in themselves but a means to achieving something

much greater a vital holy relationship to God his people and his world      Christian Life a Normal Experience Willis Duke Weatherford,1916      God in 3D Colin Green,2019-12-11 This groundbreaking book sets out fresh arguments that common views on the doctrine of the Trinity are mistaken on three counts One the idea of the Trinity can t be found explicitly in Scripture Two it is a mystery irrational to the human mind Three the classical creeds of the church are the best place to start These old ideas break down in light of recent research in biblical studies Writing in plain English the author sets out where the Trinity can be found in Hebrew and Christian Scripture that it is rational and understandable and that there are biblical ways of understanding it that are easier to get across than the classical creeds This book offers what many interested in teaching or learning about the Trinity have lacked up to now And it will be a great help to those who are unsure how to communicate the idea of the Trinity in ways that the nonspecialist can understand For the scholar interested in biblical and early church studies recent insights from temple theology and name theology produce a fresh perspective that will stimulate further discussion on this important subject In the temple of God we find the triune God      *Practicing the Prayer of Presence* Adrian L. struggles has discouraged us from even trying to find it In his new book Finding Inner Peace During Troubled Times author William Moss shows readers that inner peace is indeed attainable in the person and presence of Jesus As a high powered businessman and a key political decision maker Moss has faced his share of daily distractions For over a decade he has studied and practiced the lost art of Christian meditation I believe God wants us to find peace and will show us the way if we are willing to accept it But for many the peace of God is elusive They are not sure how to accept it or where to begin in their pursuit of it says Moss There are many difficulties distractions and hardships that stand in the way of our inner peace Sometimes these are due to our circumstances Other times it is our sin or the attitudes of our hearts that stand between us and the inner peace we crave Through prayer and meditation we can transcend all the distractions and difficulties of our days if we live by the Spirit and put God s love and presence first Many believers are wary of any form of meditation because of its association with Eastern religions These Christians might be surprised to learn that meditation was regarded as a key spiritual discipline throughout church history Eastern meditation focuses on emptying the mind completely Christians find inner peace by filling their minds with scripture and with the presence of the Holy Spirit Another fundamental difference is the motivation behind the meditation Peace like life is a gift from God that is for His glory and it is meant to be shared For those who are in Christ meditation is not about practicing the kind of self focus that precludes people from being involved in the solutions of the many problems that confront them It is communion with God through the Holy Spirit It is letting go of anger worry and fear and taking on the loving serving character of Christ instead Finding Inner Peace During Troubled Times uses key scriptures to demonstrate God s gift of peace to every believer This slender book encourages readers to be intentional about pursuing that peace even including a simple step by step example of Christian meditation With the constant stream of media noise commitments conflicts and other distractions you will not likely find times of quiet stillness and spiritual reflection unless you plan them unless you pursue meditation as a discipline states Moss The key to inner peace and a fulfilled life is one that is grounded in Christian mediation
