[Introduction to Christian Theology](#) Dr. Justo L. Gonzalez, Zaida Maldonado Perez, 2011-07-01 This book helps beginning theological students grasp the basics of Christian theology. Consciously avoiding the perspective of one school of thought or confessional tradition, the authors provide the reader with a brief, broad overview of the questions and contents of theological study. Their accessible use of language, clear organization and careful explanation will prove of invaluable aid to those who are getting their theological feet wet for the first time. In the words of its authors, this book offers an introduction to the fuller spectrum of Christian theology as it has developed through the centuries. Few writers address the historical development of the classic doctrines and the contemporary resonance as adroitly as Gonzalez and Perez. The chapter on Jesus Christ, for example, presents concise summaries of the treatments of Christ's person leading up to Chalcedon while suggesting a need for a

multiplicity of images in understanding the work of Christ that liberates the whole person and restores all creation Beginning students as a result are invited into a living theological conversation where the contested claims of the past have continued relevance in a contemporary era beset by its undervaluing of the body and creation Broadly ecumenical in tenor with reference to theologians from nearly every century the work should appeal to both a popular readership and introductory students in college and seminary One disappointing aspect of the book is an absence of Latino a feminist and liberation perspectives For a work that argues for the contextuality of all theology and from authors whose previous work has been monumental in Hispanic theological education this lack is surprising David H Jensen Austin Presbyterian Theological Seminary in Religious Studies Review Volume 29 Number 3 July 2003 *Theology* David Ford, 2013-10-24 This Very Short Introduction provides both the believer and non believer with a balanced survey of the central questions of theology David Ford s approach draws us in to considering the principles underlying religious belief including the centrality of salvation to most major religions the concept of God in ancient modern and postmodern contexts the challenge posed to theology by prayer and worship and the issue of sin and evil He also probes the nature of experience knowledge and wisdom in theology and discusses what is involved in interpreting theological texts In this new edition Ford considers the contemporary relevance of theology including the effect of globalization and digitized communication examines the theological responses to change and development in science considers the impact of increased engagement between Islam and the West and looks at the development and importance of theology between the different faiths ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **Historical Theology** Gregg Allison, 2011-04-19 Historical Theology presents the key pillars of the contemporary church and the development of those doctrines as they evolved from the history of Christian thought Most historical theology texts follow Christian beliefs in a strict chronological manner with the classic theological loci scattered throughout various time periods movements and controversies making for good history but confusing theology This companion to the classic bestseller Systematic Theology is unique among historical theologies Gregg Allison sets out the history of Christian doctrine according to a topical chronological arrangement one theological element at a time instead of committing to a discussion of theological thought according to its historical appearance alone This method allows you to Contemplate one tenet of Christianity at a time along with its formulation in the early church through the Middle Ages Reformation and post Reformation era and into the modern period Become familiar with the primary source material of Christian history s most important contributors such as Cyprian Augustine Aquinas Luther Calvin Barth and others Understand the development of evangelical doctrine with a focus on the centrality of the gospel Discern a sense of urgent need for greater doctrinal understanding in the whole church Historical Theology is an easy
