Christianity and Culture in the Crossfire David A. Hoekema, Bobby Fong, 1997 Eleven eminent scholars examine how Christian commitment illuminates the issues of relativism feminism cultural diversity and postmodernism that occupy center stage in higher education today      **Christianity and Culture** Martin S. Reed, 2002 In over 2 000 years Christianity has made the overwhelming impact on the culture of the Western world in particular But culture has also helped to shape the development and form of Christianity since the interaction of two such powerful phenomena cannot help but change the other This new book brings together over 1200 citations on Christianity and Culture which are indexed by subject title and author for easy access      *Church, State and Public Justice* P. C. Kemeny, 2007-05-11 Abortion Physician assisted suicide Same sex marriages Embryonic stem cell research Poverty Crime What is a faithful Christian response The God of the Bible is unquestionably a God of justice Yet Christians have had their differences as to how human government and the church should bring about a just social order Although Christians share many deep and significant theological convictions differences that threaten to divide them have often surrounded the matter of how the church collectively and Christians individually ought to engage the public square What is the mission of the church What is the purpose of human government How ought they to be related to each other How should social injustice be redressed The five noted contributors to this Spectrum volume answer these questions from within their distinctive Christian theological traditions as well as responding to the other four positions Through the presentations and ensuing dialogue we come to see more clearly what the differences are where their positions overlap and why they diverge The contributors and the positions taken include Clarke E Cochran A Catholic Perspective Derek H Davis A Classical Separation Perspective Ronald J Sider An Anabaptist Perspective Corwin F Smidt A Principled Pluralist Perspective J Philip Wogaman A Social Justice Perspective This book will be instructive for anyone seeking to grasp the major Christian alternatives and desiring to pursue a faithful corporate and individual response to the social issues that face us Spectrum Multiview Books offer a range of viewpoints on contested topics within Christianity giving contributors the opportunity to present their position and also respond to others in this dynamic publishing format

Document Supply Centre, 1997      *Lingua Franca* , 1995      **Christian Countermoves in a Decadent Culture** Carl Ferdinand Howard Henry, 1986      **Paths of Faith** Michael Thomas Ford, 2000 In a series of revealing interviews several prominent religious figures discuss the tenets and traditions of their religions and focus on the personal side sharing how they came to their religious beliefs the issues they ve

struggled with and the challenges they've faced. Each interview is prefaced with an overview of the religion. *Truth and Reconciliation* Susan V. Gallagher, Susan VanZanten, 2002. Gallagher first examines the way in which confession originated as a religious practice and then evolved into a distinctive literary mode in recent South African fiction. *Theological Crossfire* Clark H. Pinnock, Delwin Brown, 1998-03-03. This book is a plea for a constructive liberal conservative dialogue by demonstrating what such an exchange could be like. Assuming that liberal and conservative Christians are abysmally ignorant about each other, that each has a great deal to learn from the other, and that dialogue between the two will strengthen them individually, Clark Pinnock concludes that the renewed vitality of Christianity in today's world hinges in an important way on whether a genuine conservative liberal dialogue comes into being.
