## **Christianity In Bakhtin God And The Exiled Author:**

*Christianity in Bakhtin* Ruth Coates, 1999-02-13 The work of the great Russian theorist Mikhail Bakhtin has been examined from a wide variety of literary and theoretical perspectives None of the many studies of Bakhtin begins to do justice however to the Christian dimension of his work Christianity in Bakhtin for the first time fills this important gap Having established the strong presence of a Christian framework in his early philosophical essays Ruth Coates explores the way in which Christian motifs though suppressed continue to find expression in the work of Bakhtin s period of exile and re emerge in texts written during the time of his rehabilitation Particular attention is paid to the themes of Creation Fall Incarnation and Christian love operating within metaphors of silence and exile concepts which inform Bakhtin s world view as profoundly as they influence his biography

## **Christian Inversion of Jewish Nationalist Monotheism, and its Modern**

**Romantic-Narcissist Betrayal** Patrick Madigan, 2023-11-03 This is a history of Western culture divided into two parts The first concerns the aggressive championing of monotheism by Jewish people as their distinctive national culture although they only fell into or embraced it late in their development Jesus offended by proposing an inversion of the divine protocols and an agenda more in harmony with international political realities the one God proposed to use the Jews to reach and transform the entire human race which was the actual object of His redemptive and creative energies With the Renaissance widening opportunities for study travel learning and discovery authorities had greater difficulty justifying limitations on individuals freedom of expression of heterodox artistic political philosophical or religious positions This book explores the difficult modern psychological adjustment of dealing with a world with diminishing centers of authority where it often seems as if no one is in charge while also doing justice to one s feelings of frustration and lack of fulfillment without becoming a radical narcissist

Committee of Appalachia Jessica Wroblewski Contributors      **The Strategic Smorgasbord of Postmodernity** Deborah Bowen, 2011-05-25 Contemporary Christian critique often talks about postmodernism apocalyptically in terms of cultural crisis and decline instead the contributors to this volume believe that there is a new place for Christian entries on the academic Smorgasbord of postmodernity and they see the postmodern turn as an opportunity for fresh perspectives on the spiritual dimensions of reading literature These twenty scholars are an eclectic group differing in theological and theoretical commitments but all identifying as Christian In this collection they enter into dialogue with a wide range of contemporary literary theorists and theoretical perspectives and offer new readings of primary texts informed by both these theoretical constructs and their Christian faith The manuscript strikes out in important new directions in its sympathetic reading of postmodern theory from a Christian perspective and even more significantly in its careful and measured dialogic approach to the relationship of Christian thought and contemporary literary theory Daniel Coleman Canada Research Chair in Critical Ethnicity and Race Studies Department of English and Cultural Studies McMaster University Too often Christian literary critics and theologians have preemptively dismissed postmodern theory even as secular critics have been equally dismissive about the contributions that the Christian faith tradition makes to the study of literature This volume successfully brings these two worlds together in innovative at times challenging and always rich ways I do not know of a similar volume in existence a work that gathers in one convenient publication a wide ranging set of discussions of contemporary literary theory by Christian scholars The editor has gathered an impressive and important set of papers here and I believe the volume will raise much interest and provoke a good deal of constructive debate Susan VanZanten Gallagher Professor of English Director Center for Scholarship and Faculty Development Seattle Pacific University      **Scholarship and Christian Faith** Douglas Gordon Jacobsen, Rhonda Hustedt Jacobsen, 2004 Argues that the idea of Christian scholarship has been under discussed This book which is organised as a conversation offers a definition and analysis of Christian scholarship that opens the way for dialogue between evangelicals and Catholics and Protestants from a variety of church traditions      *Judges 19-21 and Ruth* Jennifer M. Matheny, 2022-08-22 Previous scholarship hints at the connection between Judges 19-21 and Ruth as set in dialogue but there has yet to be a study to articulate this relationship Through a Bakhtinian canonical perspective a comparative analysis of these texts unveils intertextual correlations Lexical and thematic connections include shared idioms contrasting themes of ban and loving kindness covenant faithfulness silence and speech abuse and potential for abuse gendered violence and feminine agency This case study reveals that Ruth as a text and as a woman embodies a voice of answerability to the silenced and abused women in Judges 19-21      Bakhtin and Religion Susan M. Felch, Paul J. Contino, 2001 The dimension of religion in the life and work of Bakhtin has been fiercely contested and willfully ignored by critics Unique in its in depth focus on this subject Bakhtin and Religion brings together leading British American and Russian scholars to investigate the role of religious thought in shaping and framing Bakhtin's writings These essays provide an

overview of Bakhtin's attitude toward religion in general and Russian Orthodoxy in particular addressing topics ranging from how Bakhtin's religious ideas informed his linguistic and aesthetic theories to the idea of love in his secular and religious thought and to the religious component of Bakhtin's theory of laughter **Christianity & Literature**, 2001 **Mikhail Bakhtin and Biblical Scholarship** Barbara Green, 2000 Though the work of Mikhail Bakhtin 1895-1975 has been widely appropriated in the various humanities and social science fields his thought has not yet been widely utilized in biblical studies This book presents both the wide ranging elements of his complex thought and also sketches the context of the life from which it emerged It also offers access to the conversation going on in circles beyond the study of religion specifically philosophy anthropology and literary studies Bakhtin's interest in matters specifically literary as well as more broadly cultural make him a theorist helpful to biblical scholars seeking to renegotiate the sometimes disparate realms of language and history Bakhtin's careful attention to details of language shared by narrator and characters as well as his far reaching sense of what happens when language is reused repeatedly within the tradition make his ideas stimulating within the vortex of current biblical discourse His insistence that the multiplicity of voices decenters control from any single speaking or interpreting position challenges a number of positions in theology and hermeneutics while his sense that the author does not disappear from the work of art challenges recent suppositions of language theory and linguistics **BOOK JACKET Title** Summary field provided by Blackwell North America Inc All Rights Reserved **The Genesis of Ethics** Esther D. Reed, 2002 The Genesis of Ethics soundly addresses the controversial concept of God's authority and reframes the concept as separate from authoritarianism Esther D Reed views ethics as the practical expression of divine human reciprocity not as an isolated part of Christian life God's authority is not of a controlling or hegemonic kind but of the dialogic answerable kind which draws human persons into relationship writes Reed Reed proclaims that God's Word calls us to life and the way we answer with our lives is the embodiment of Christian ethics and moral theology The book presents and expounds upon a critical question How is the church to exercise authority in ways that promote the growth of personal freedom in Christ while preventing its teaching authority from becoming authoritarian **Bakhtin & His Intellectual Ambience** Bogusław Żyłko, 2002 **The Dostoevsky Journal**, 2000 **Indiana Slavic Studies**, 2000 **Flannery O'Connor Review**, 2001 **The Force of Tradition** Donald G. Marshall, 2005 The essays in this volume offer analyses of religious literary and cultural traditions and both responses and resistance to them including works by Hans Georg Gadamer Josiah Rayes Alasdair MacIntyre Jacques Derrida Charlotte Bronte Soren Kierkegaard Ludwig Wittgenstein Edith Wharton Chinua Achebe Samuel Taylor Coleridge Thomas Kuhn Donald Davidson antebellum African American women preachers and Christian and Jewish thinkers in the wake of the Holocaust among others **BOOK JACKET** **Bakhtin and the Classics** Robert Bracht Branham, 2002 The authors eminent classicists and distinguished critics of Bakhtin put Bakhtin into dialogue with the classics and classicists into dialogue with Bakhtin Each essay offers a critical account of an important aspect of Bakhtin's thought and then examines the

value of his approach in the context of a significant area of literary or cultural history Beginning with an overview of Bakhtin's notion of carnival laughter perhaps his central critical concept the volume explores Bakhtin's thought and writing in relation to Homer's epic verse and Catullus's lyric poetry ancient Roman novels and Greek philosophy from Aristotle's theory of narrative to the work of Antiphon the Sophist

**The Bakhtin Circle** Craig Brandist, 2002-05-20 The group of intellectuals that surrounded literary theorist Mikhail Bakhtin has come to be known as the Bakhtin Circle and have come to be quite influential in the field of cultural criticism Brandist Bakhtin Centre Sheffield U UK examines the sources of their thinking arguing that they were significantly less innovative in thought than many might suppose He characterizes the Circle's contribution as an ongoing engagement with several intellectual traditions attempting to put that engagement into the context of the social and political circumstances surrounding them Distributed by Stylus Publishing Annotation copyrighted by Book News Inc Portland OR
