Christianity According To John:

Christianity According to John D. George Vanderlip, 1975 **The Gospel According to John** D. A. Carson, 1991 This commentary seeks above all to explain the text of John's Gospel to those whose privilege and responsibility it is to minister the Word of God to others to preach and to lead Bible studies I have tried to include the kind of information they need to know but to do so in such a way that the informed layperson could also use the work in personal study of the Bible exclusively for purposes of personal growth in edification and understanding In particular I have attempted 1 To make clear the flow of the text 2 To engage a small but representative part of the massive secondary literature on John 3 To draw a few lines towards establishing how the Fourth Gospel contributes to biblical and systematic theology 4 To offer a consistent exposition of John's Gospel as an evangelistic Gospel Preface *The Word of Life* Craig R. Koester, 2008-11-17 This accessible engaging work explores the major theological dimensions of John's Gospel including God the world and its people Jesus the crucifixion and resurrection the Spirit faith and discipleship Craig Koester's Word of Life is notable for its comprehensive treatment of themes and its close careful focus on the biblical text on the narrative itself In his introduction Koester provides a succinct overview of the Gospel and shows how disputes about John's theology throughout history have significantly shaped the church and wider society In the course of his discussion such expressions as being born again and Jesus as the way which evoke both interest and uneasiness today become much clearer in the context of the Gospel as a whole Koester interacts with the best of current research and makes creative proposals about how to understand the many aspects of John's theology His clear and highly readable guide to the theology of John's Gospel will appeal to a wide range of readers **The Gospel According to John** Archibald Macbride Hunter, 1965-01-02 This volume on John's Gospel is one of the series of commentaries on the New English Bible which is designed for use in schools and colleges and for the minister and the layman Each volume comments on one book or a few short books of the Bible and in each the text is given in full Sections of text and commentary alternate so that the reader does not have to keep two books open or turn from one part of the book to the other or refer to a commentary in small type at the foot of the page Great care has been taken to see that the commentary is suitable for the student and the layman there is no Greek or Hebrew and no strings of biblical references but the commentary does convey the latest and best scholarship The general editors all have experience of teaching or examining in school and working with adults In addition to the general introductory volume Understanding the New Testament there is a volume of maps and plates New Testament Illustrations **The Gospel of John** Paul L. Metzger, 2010-10-18 In the Resonate series the stories and insights of each book of the Bible are brought into conversation with contemporary voices of hope and lament In this volume we journey through the Gospel of John with Paul Louis Metzger who wrestles with the question of what happens when God who is love comes to town and takes up residence among us **Meditations on According to John** Herold Weiss, 2014-05-29 The gospel of John titled simply According to John in ancient manuscripts

contains some of the simplest language in the New Testament The Greek of this book is so simple that it is often used in teaching beginning students to read New Testament Greek Pastors and teachers often recommend the book as a good starting point for new Christians reading the Bible for the first time But the simple vocabulary and structure belies an extraordinary spiritual depth While there are lessons to be learned from an initial surface reading diligent seekers will find incredible depths Understanding these deeper lessons requires one to see the book as a whole and understand the intricate pattern of connections between the various parts Verse by verse and even passage by passage study can be misleading New Testament scholar Herold Weiss spent a considerable amount of time searching for the best way to open up the treasures of this gospel to non scholars and settled on a series of meditations on various phrases or events related in the book In each meditation he ties the specific theme to related passages and imagery throughout the gospel His masterful presentation will open your eyes and mind to new insights into the fourth gospel early Christianity and its application to 21st century Christianity

How to Believe in Christ According to the Gospel of John Victor Pierobon, 2018-10-22 The true consolidation of this book and *The City of God the Bride of Christ and the Second Death According to Revelation of John* are both consolidated in *The Way the Truth and the Light According to the Gospel and Revelation of John* which is FREE to download from here and other sources online The book examines each statement in John s Gospel KJV and contains summaries sections John the Beloved s Gospel does provide answers to help us understand How we can believe in Christ and be saved by His Way Truth and Light Way of Love Spirit of Truth and Light of God Why Christ is a human the Son of Man and the Son of God Why Christ s death did not immediately make all Men sinless and create a new world and kingdom As a great teacher why Christ did not write books for us to be saved with just an easy read How Adam Eve and the Tree of the Knowledge of Good and Evil is still relevant in Christianity How we can see the face of God in Christ and not perish The Gospels and John s Revelation have not disconnected works both contain the same end time plot Matthew 13 30 40 lays out Revelation s plot Let both the good and the evil grow together until the harvest He that sows the good seed is the Son of man Christ The field is the world the good seed are the children of the kingdom but the tares are the children of the wicked one The enemy that sowed them is the devil the harvest is the end of the world and the reapers are the angels As therefore the tares are gathered and burned in the fire same as the second death s lake of fire in Revelation so shall it be in the end of this world Revelation 22 10 12 states Seal not the sayings of the prophecy of this book for the time is at hand He that is unjust let him be unjust still and he which is filthy let him be filthy still and he that is righteous let him be righteous still and he that is holy let him be holy still And behold I Christ come quickly and my reward is with me to give every man according as his work shall be My sequel book *The City of God the Bride of Christ and the Second Death According to Revelation of John* is the second part of John s belief system

Spirituality According to John Rodney Reeves, 2021-11-23 Through all of John s works a consistent message is woven being a Christian is about abiding in Christ and in his words Combining exegesis with spiritual reflection

this accessible introduction on the Johannine literature from Rodney Reeves helps readers envision how to follow Jesus as disciples in community and even at the end of the world **Tractates on the Gospel of John 11-27 (The Fathers of the Church, Volume 79)** Saint Augustine, Augustine, 1988 No description available **John** Whitney Kuniholm, 2010-12-15 The Living Word What would it have been like to witness Christ's life on earth The apostle John wrote about Jesus' earthly ministry from the perspective of one who was there He saw Jesus teach heal pray die and live again And he wanted to tell Christ's story John's Gospel is a personal account about the life of Jesus the living Word Jesus is the one who can transform our empty lives and satisfy our deepest hunger In this studyguide Whitney Kuniholm guides you through every chapter of the book of John bringing you face to face with the Son of God who he is and what it means to follow him [A Simple Christianity](#) John MacArthur, 2017-01-31 After years as believers we can come to find the Christian life too complicated our zeal diminished and our relationship with Jesus grown cold and predictable Award winning author and respected pastor John MacArthur reminds readers that what's been lost can be found again This practical tool will help Christians restore the fire and conviction of their first love for Christ by helping them better understand his character his glory and his love for them MacArthur counsels all who want more love for Christ to pursue him by making Christ their focus each day in every activity in every contact and in every thought [John](#) Bruce Bickel, Stan Jantz, 2003 No disciple had a closer relationship with Jesus than John the disciple whom Jesus loved John records how Jesus changed his life dramatically and the lives of others including Nicodemus the religious leader who had a secret meeting with Jesus the woman at the well who became an evangelist and Lazarus who Jesus raised from the dead *The Gospel According to John* Raymond Edward Brown, 1966 The Anchor Bible Commentary is the collaborative effort of Protestant Catholic and Jewish scholars from around the world

John Douglas Connelly, 1990-07 In this LifeGuide Bible Study Douglas Connelly opens up for us John's invitation to trust One who promises true life 26 studies in two parts **John** Justin Buzzard, 2013-04-30 In this study of John's Gospel pastor and author Justin Buzzard helps readers understand the most theologically and philosophically profound account of Jesus's life death and resurrection in the New Testament [The Gospel According to John](#) Oliver B. Greene, 1966 I have long been aware of the need for a verse by verse commentary on The Gospel of John and the Lord has laid it on my heart to attempt such an exposition John's Gospel is long and in many places quite detailed Its presentation therefore will require more than one volume and will involve many months of study and dedicated work Since The Gospel According to John is known as the salvation Gospel it should be understood by and made familiar to all who are interested in soul winning Its message should also be presented with such clarity and power as to make it effective in reaching the hearts of sinners who read it This I have tried to do in this volume and in those that will follow The key to John's Gospel is found in chapter 20 verses 30 and 31 And many other signs truly did Jesus in the presence of his disciples which are not written in this book but these are written that ye might believe that Jesus is the Christ the Son of God and that believing ye might have life through his name John presents

Christ as the Eternal Word incarnate very God in flesh revealing God in the terms of a human life The details recorded in John's Gospel are sufficient evidence of his personal association with the people and the experiences of which he writes In fact he stresses the word witness using it frequently to set forth the verified facts of that personal experience Foreword of Volume 1 *The Miracles of Jesus According to John* Stephen S. Kim, 2010-07-08 In our age of theological relativism Jesus' question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus' miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God's message and His messenger's In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God's desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus' miracles also remind us that God's work in and for every believer will be fully and ultimately realized in the everlasting life

John Locke's Christianity Diego Lucci, 2020-10-08 John Locke's religious interests and concerns permeate his philosophical production and are best expressed in his later writings on religion which represent the culmination of his studies In this volume Diego Lucci offers a thorough analysis and reassessment of Locke's unique heterodox internally coherent version of Protestant Christianity which emerges from The Reasonableness of Christianity and other public as well as private texts In order to clarify Locke's views on morality salvation and the afterlife Lucci critically examines Locke's theistic ethics biblical hermeneutics reflection on natural and revealed law mortalism theory of personal identity Christology and tolerationism While emphasizing the originality of Locke's scripture based religion this book calls attention to his influences and explores the reception of his unorthodox theological ideas Moreover the book highlights the impact of Locke's natural and biblical theology on other areas of his thought thus enabling a better understanding of the unity of his work

A Theology of the New Testament George Eldon Ladd, 1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index

Jesus as the Fulfillment of the Temple in the Gospel of John Paul M. Hoskins, 2007-02-01 This study examines John's portrayal of Jesus as the fulfillment and replacement of the Temple It also shows how a traditional conception of typology can be helpful for understanding the nature of the relationship between Jesus and the Temple Interpreters often associate John 1:14, 1:51, 2:18, 2:22 and 4:20, 24 with Jesus' replacement of the Temple Based on these texts one can already begin to see that he fulfills and replaces the Temple in that he is the new locus of God's presence glory revelation and abundant provision for his people In

particular John 2 18 22 clearly associates Jesus role as the Temple with his death and resurrection According to Isaiah part of God s decisive action on behalf of his people and for revealing himself to the nations is the lifting up of the Temple above all other temples In John this expectation finds its fulfillment in Jesus John s language of lifting up and glorification marks Jesus death resurrection and exaltation as climactic events through which God lifts up and glorifies Jesus the true Temple Jesus death resurrection and exaltation are also the means by which God provides for his people Jesus offers his flesh and blood for the life of the world and sends the Spirit to enrich believers with the benefits of his sacrificial death In doing so he simultaneously fulfills prophecies and patterns associated with the Passover Feast of Tabernacles Feast of Dedication and the Temple
