Christianity And Moral Issues:

Discerning Ethics Hak Joon Lee, Tim Dearborn, 2020-02-25 The number of ethical issues that demand a response from Christians today is almost dizzying How can Christians navigate such matters With an unflinching yet irenic approach this volume invites engagement with the biggest ethical issues by drawing on real life experiences and offering a range of responses to some of the most challenging moral questions confronting the church today **Moral Issues and Christian Responses** Patricia Beattie Jung, L. Shannon Jung, 2012-09-01 Previously published by Cengage Wadsworth this popular anthology for the study of Christian ethics has been a mainstay of undergraduate courses for nearly thirty years Shannon and Patricia Jung provide an introduction to contemporary moral issues from decidedly yet diverse Christian moral perspectives The anthology intentionally seeks a range of voices to produce a kind of point counterpoint discussion of the ethical issue Among the classic issues considered are sexuality and reproductive rights prejudice biomedical ethics the environment immigration terrorism war and globalization New issues include development ethics personal finance and consumerism workplace ethics health care and citizenship **Where Do You Stand?** Gregory C. Higgins, 1995 This book offers a way of reflecting on eight life issues ranging from sex to capital punishment It doesn't give answers It does ask questions Each issue is explored by a process that offers mature arguments from proponents of different views yet that leads the reader to make a personal commitment to one course or another The process consists of concrete situations that put the moral issue in the real life perspective a detailed examination of the underlying questions with arguments supporting each side discussion questions for group interaction or personal reflection and suggested readings resources for those who wish to pursue the questions in more depth *Christian Ethics and Contemporary Moral Problems* Michael C. Banner, 1999-09-28 This book addresses such key ethical issues as euthanasia the environment biotechnology abortion the family sexual ethics and the distribution of health care resources Michael Banner argues that the task of Christian ethics is to understand the world and humankind in the light of the credal affirmations of the Christian faith and to explicate this understanding in its significance for human action through a critical engagement with the concerns claims and problems of other ethics He illustrates both the distinctiveness of Christian convictions in relation to the above issues and also the critical dialogue with practices based on other convictions which this sense of distinctiveness motivates but does not prevent The book's importance lies in its attempt to show the crucial difference which Christian belief makes to an understanding of these issues whilst at the same time demonstrating some of the weaknesses and confusions of certain popular approaches to them Christianity and Moral Issues Anne Jordan, 1999 Euthanasia for against Abortion for against Genetic engineering Animal rights Capital punishment for against Marriage divorce The marriage ceremony Morality and ethics **Christian Morality** Geoffrey W. Sutton, Brandon Schmidly, 2016-08-08 Should society care about Christian morality Are Christians out of touch with complex moral decision making Christian Morality An Interdisciplinary Framework for Thinking about Contemporary Moral Issues

provides readers with a framework for identifying and applying Christian moral principles to divisive issues First readers learn of the theological and philosophical foundations of Christian ethics Two additional chapters explain how personal and social factors influence our capacity to think critically and Christianly about morality Second readers will learn about forming Christian moral judgments by seeing how different thinkers address six contemporary moral issues abortion same sex relationships equal treatment of men and women in the workplace sex education and racial bias in incarceration polices

Christian Ethics Michael Banner,2009-04-20 This enlightening book steers readers through the challenges and moral issues providing a clear and decisive history of the main figures and texts in Christian ethics A short and lively history of Christian ethics exploring how Christianity has always had to grapple with complex moral problems from questions about the status of early Christians who renounced their religion under Roman torture through to current debates about euthanasia Engages with the main texts and figures in Christian ethics including Augustine Benedict Aquinas Luther and Barth Considers questions such as human will the proper form of Christian life natural law and whether human nature is at odds with Christian ethics Concludes with a thought provoking chapter considering the role that Christian ethics can play in contemporary moral debates and ethical dilemmas *Bible and Ethics in the Christian Life* Bruce C. Birch,1989-01-01 Among the topics treated are Christian ethics as community ethics Charting the moral life Elements of character formation Character and social structure Decision making The nature and role of biblical authority Uses of Scripture in Christian ethics

Moral Issues and Christian Response

Paul T. Jersild, Dale A. Johnson, 1988 **The Moral Disciple** Kent A. Van Til, 2012-08-08 The ability to judge good from bad right from wrong is a uniquely human characteristic. However, given the complexity of life, it is often difficult to discern which choice to make where our responsibilities lie or what the consequences of an action or of a nonaction will be. In *The Moral Disciple*, Kent Van Til surveys the skills and dispositions that we need to address moral issues responsibly. This basic introduction to Christian ethics, the systematic evaluation of morality, highlights the centrality of Christ and the Christian faith in moral formation and it offers an ethical framework to guide Christians as they engage a host of moral dilemmas, including those surrounding wealth, sexuality, and the end of life. Using easy-to-read prose and defining terms carefully, Van Til provides an accessible introduction to this crucial and practical subject. [Principles of Christian Morality](#) Hans Urs von Balthasar, 2010-12-14 A collection of essays by three giants of twentieth-century theology: Joseph Ratzinger (now Pope Benedict XVI), Hans Urs von Balthasar, and Heinz Schurmann. Balthasar's and Schurmann's essays were written for the International Theological Commission. Schurmann examines how the New Testament's teaching provides enduring moral norms for Christian conduct. Balthasar presents nine basic principles of the Christian moral life. Ratzinger, who originally wrote this essay as a series of articles for *L'Osservatore Romano*, addresses the relationship between faith and morality and the place of the Church's teaching authority with regard to moral issues. Introduction to Christian Ethics Roger H. Crook, 2015-10-02 This book is a college-level introductory textbook in Christian ethics. It introduces the field of ethics and a variety of approaches to its study. The book is written for college students and is designed to help them develop a method of dealing with the thorny moral issues. *Contemporary Moral Issues* Joe Jenkins, 2002 The 4th edition of *Contemporary Moral Issues* includes up-to-date examples of religion in context, encourages students to engage in discussion, and learn what's involved in giving a reasoned argument. It covers problems such as poverty and racism, as well as newer issues including medical ethics and biotechnology. **An Introduction to Christian Ethics** Roger H. Crook, 1990 *Spirit Ethics* Paul T. Jersild, 2000 How can Christians responsibly derive moral guidance from the Bible on pressing issues of personal and social morality today? Jersild's book sets the context for a study of Scripture and the moral life in a postmodern pluralist society with its impact on biblical studies. The ethical contents and authority of Scripture are addressed, and a Spirit ethics is proposed as a way of developing a biblically based Christian ethics. Christians cannot simply adopt a once-and-for-all set of rules nor simply cite Bible verses against the latest sins. Absolutely essential, says Jersild, is the ongoing engagement of the church with the moral environment of society and the issues that this raises for the church. Jersild applies his model fruitfully and persuasively to three pressing and perplexing issues: assisted suicide, homosexuality, and genetic programs. **Moral Issues and Christian Responses** Patricia Beattie Jung, Loyle Shannon Jung, 2012-09-01 This popular anthology for the study of Christian ethics, now in its eighth edition, has been a mainstay of undergraduate courses for nearly thirty years. Shannon and Patricia Jung provide an introduction to contemporary moral

issues from decidedly yet diverse Christian moral perspectives The anthology intentionally seeks a range of voices to produce a kind of point counterpoint discussion of an ethical issue Issues include the distinctiveness of Christian ethics sexuality reproductive rights prejudice immigration the environment economics biomedical ethics death and dying terrorism war and globalization Publisher description
