Seeing Gray in a World of Black and White 35012 Adam Hamilton,2010-07-01 Everyone agrees that America is polarized with ever hardening positions held by people less and less willing to listen to one another No one agrees on what to do about it One solution that hasn t yet been tried says Adam Hamilton is for thinking persons of faith to model for the rest of the country a richer more thoughtful conversation on the political moral and religious issues that divide us Hamilton rejects the easy assumptions and sloppy analysis of black and white thinking seeking instead the truth that resides on all sides of the issues and offering a faithful and compassionate way forward He writes I don t expect you to agree with everything I ve written I expect that in the future even I won t agree with everything I ve written here The point is not to get you to agree with me but to encourage you to think about what you believe In the end I will be inviting those of you who find this book resonates with what you feel is true to join the movement to pursue a middle way between the left and the right to make your voices heard and to model for our nation and for the church how we can listen learn see truth as multi sided and love those with whom we disagree Read more about this title Adam Hamilton s Seeing Gray Blog Now available Seeing Gray in a World of Black and White DVD UPC 843504001902 A five session video resource featuring Adam Hamilton teaching these concepts on DVD for group or individual study Includes leader s guide as well as bonus video Click below to view a preview of each video session Where Faith and Politics Meet Christ Christians and the Culture Wars How should we live The Ethics of Jesus Spiritual Maturity and Seeing Gray What Would Jesus Say to America **The Acts and Proceedings of the General**
