Christians In The Crossfire:

Christians in the Crossfire Mark R. McMinn, James D. Foster, 1990 In *Christians in the Crossfire* Mark McMinn and James Foster demonstrate it has never been safe or spiritually superior to merely accept what we are told to believe But rather than tell us what to think they guide us in how to think critically and clearly As the Apostle Paul admonished the Bereans to compare with the Scriptures and teaching they received McMinn and Foster challenge us to do the same as we confront the issues of the day provided by publisher *Christ in the Crossfire* Ian Wishart, 2014-10-14 For 2000 years debate has raged who is Jesus Christ Is he a great teacher or is he God Is there even a reason to believe in God in our modern scientific world In the past decade the war on Belief has become more vocal with the rise of New Atheism advocates like Richard Dawkins Sam Harris and the late Christopher Hitchens Throw in media favorites like John Spong Karen Armstrong or Lloyd Geering and you'd be forgiven for thinking the atheists had won the debate was over Except for one thing The atheists got it wrong Investigative journalist Ian Wishart decided to put the best arguments against Christianity to the test What he found will stun you None of the most quoted evidence against Jesus Christ or the existence of God stands up to close scrutiny Whether you're a Christian or not your questions and the answers are here One of the best Christian apologetic books I have read The NZ Catholic He takes the inaccuracies of Dawkins Hitchens Harris Spong and others and pulls them apart looking deep into the facts and issues around them and explaining with clarity the real story that is behind them The second half of the book deals much more specifically with the Biblical claims the existence of Christ His resurrection miracles and prophecy are all included The Bible Geek [Light Force](#) Brother Andrew, Al Janssen, 2004-09-01 Brother Andrew's ministry began with smuggling Bibles behind the Iron Curtain His phenomenally successful book *God's Smuggler* was born from that mission But as communism in Eastern Europe declined Brother Andrew shifted his focus to strengthening the Christian church within the Islamic world In a time when a mass exodus of Christians has drained the Middle East of God's light Brother Andrew headed into this war-torn land to bring hope and encouragement to those who remained *Light Force* recounts the continuing saga of Brother Andrew's most recent mission Through dramatic true stories readers get an exclusive behind the scenes look at real people affected by the centuries-old conflicts in this volatile part of the world Now readers can join Brother Andrew and fellow Open Doors missionary Al Janssen in their quest to strengthen God's light in the Middle East These gripping accounts of Christians caught in the crossfire will captivate readers everywhere **Caught in the Crossfire** Joyce Strong, 1999 Intimacy with God It has always been the heart cry of true believers But as in any love relationship intimacy can become strained fellowship broken *Caught in the Crossfire* holds up a mirror to the deceptiveness of the human heart and challenges readers to make choices of obedience in order to bring freedom and restore intimacy Paradoxically it is through the pain of conviction and the struggle to positively respond crossfire in the soul that renewal comes **Christianity and Culture in the Crossfire** David A. Hoekema, Bobby Fong, 1997 Eleven eminent scholars examine how Christian commitment illuminates

the issues of relativism feminism cultural diversity and postmodernism that occupe center stage in higher education today

Christians in Crossfire Laurence P. Byers,1967 *Theological Crossfire* Clark H. Pinnock,Delwin Brown,1998-03-03
This book is a plea for a constructive liberal conservative dialogue by demonstrating what such an exchange could be like
Assuming that liberal and conservative Christians are abysmally ignorant about each other that each has a great deal to learn
from the other and that dialogue between the two will strengthen them individually Clark Pinnock concludes that the
renewed vitality of Christianity in today s world hinges in an important way on whether a genuine conservative liberal
dialogue comes into being **The Cross in the Crossfire** Joela S. Krüger,2013 *Cumulative List of Organizations*

,1992 **An Atheist and a Christian Walk Into a Bar ...** Randal Rauser,Justin Schieber,2016 The question of God is
simply too important and too interesting to leave to angry polemicists That is the premise of this friendly straightforward and
rigorous dialogue between Christian theologian Randal Rauser and atheist Justin Schieber Setting aside the formality of the
traditional debate the authors invite the reader to join them in an extended informal conversation This has the advantage of
easing readers into thorny topics that in a debate setting can easily become confusing or difficult to follow Like any good
conversation this one involves provocative arguments amusing anecdotes and some lively banter Rauser and Schieber begin
with the question of why debates about God still matter They then delve into a number of important topics the place of
reason and faith the radically different concepts of God in various cultures morality and its traditional connection with
religious beliefs the problem of a universe that is overwhelmingly hostile to life as we know it mathematical truths and what
they may or may not say about the existence of God the challenge of suffering and evil to belief in God and more Refreshingly
upbeat and amicable throughout this stimulating conversation between two friends from opposing points of view is an ideal
