Any Mummers 'Lowed In? Dale Gilbert Jarvis,2014-10-10 As the Twelve Days of Christmas roll around each year in Newfoundland and Labrador you might see oddly padded figures with humps on their backs shoes on the wrong feet their auntie s bra on the outside of their clothes with faces hidden behind masks or bits of old lace These characters trudge from door to door or make surprise appearances at parties seniors homes or workplaces Once inside they dance and sing and have a drink or two while people try to guess just who is behind all that clothing Then before they roast from the heat of the kitchen they head back out into the darkness and do it all over again These strange creatures are mummers though they can go by other names jannies fools oonchicks or darbies Whatever you call them and however they are costumed they are a firm part of the province s Christmas folklore But while today s mummers are often portrayed as friendly and entertaining they have a past checkered with violence vandalism and even murder By the 1860s mummering had been made illegal a ban which stayed in place for well over a century but which failed to stamp out a beloved and complicated Christmas tradition Folklorist Dale Jarvis traces the history of the custom in Newfoundland and Labrador and charts the mummer s path through periods of decline and revival Using archival records historic photographs oral histories and personal interviews with those who have kept the tradition alive he tells the story of the jannies themselves Along the way he will introduce you to other colourful Yuletide characters including ugly stick makers the wild eyed snapping jawed hobby horse the St Stephen s Day wren boys the actors of the old mummers plays and the fearsome nalujuit of Northern Labrador Welcome to the colourful world of Christmas in Newfoundland and Labrador a holiday that is not complete without a little bit of mischief and foolishness **CHRISTMAS MUMMING IN NEWFOUNDLAND;ED.BY...AND G.M.STORY.** Herbert Halpert,1969
