**Christopher Columbus** William D. Phillips,Carla Rahn Phillips,1992 When Columbus was born in the mid fifteenth century Europe was largely isolated from the rest of the Old World Africa and Asia and ignorant of the existence of the world of the Western Hemisphere The voyages of Christopher Columbus opened a period of European exploration and empire building that breached the boundaries of those isolated worlds and changed the course of human history This book describes the life and times of Christopher Columbus on the 500th anniversary of his first voyage across the Atlantic Ocean in 1492 Since ancient times Europeans had dreamed of discovering new routes to the untold riches of Asia and the Far East what set Columbus apart from these explorers was his single minded dedication to finding official support to make that dream a reality More than a simple description of the man this new book places Columbus in a very broad context of European and world history Columbus s story is not just the story of one man s rise and fall Seen in its broader context his life becomes a prism reflecting the broad range of human experience for the past five hundred years Respected historians of medieval Spain and early America the authors examine Columbus s quest for funds first in Portugal and then in Spain where he finally won royal backing for his scheme Through his successful voyage in 1492 and three subsequent journeys to the new world Columbus reached the pinnacle of fame and wealth and yet he eventually lost royal support through his own failings William and Carla Rahn Phillips discuss the reasons for this fall and describe the empire created by the Spaniards in the lands across the ocean even though neither they nor anyone else in Europe know precisely where or what those lands were In examining the birth of a new world this book reveals much about the times that produced these intrepid explorers **Christopher**

**Columbus & James Cook** The History Hour,2019-11-02 Did Christopher Columbus discover America or a route to the Far East Did James Cook achieve fame by mapping the known world Were his maps so accurate that many were used right into the 20th Century Cook an 18th Century explorer lived during a time when humankind was yet na ve and inexperienced in terms of understanding their environment His legacy is quite astounding given the fact that humanity had only begun to develop instrumentation The people from Europe had never before seen Hawaii Tahiti Australia New Zealand Antarctica nor crossed the Antarctic circle He met and mingled with many different cultures most of which were those of the South Pacific Ocean He and his men even witnessed a human sacrifice There were three voyages in all The first one ran from 1768 to 1771 and included Tahiti Australia and New Zealand The second voyage went from 1772 to 1775 and was mostly spent around the coast of Antarctica Cook s third and final voyage went from 1776 1779 It entailed the western coast of North America and Alaska where Cook fruitless sought for the fabled Northwest Passage Did the Hawaiians murder James Cook Was that a tragic incident that should have never happened Christopher Columbus was an Italian explorer navigator and colonist who had a singular goal toward which he was driven His courage was astounding as he and his three small ships set sail across the Atlantic Ocean Columbus and his men took precarious and dangerous journeys toward a blue horizon All they had to depend upon were nautical charts an astrolabe and a quadrant The maps he used were developed by more ancient astronomers such as Ptolemy and Eratosthenes men who had never sailed the great sea The legacy of Christopher Columbus is tarred by his tyranny toward the natives he came across in the New World specifically the Arawaks and the Caribs He also condoned slavery through his desperation to arrive back in Spain with treasures like those brought back by other explorers By those who made it to India and the Far East Despite the abuses he brought upon the indigent populations Columbus s discoveries opened up a whole new world to trade and development Spain was the first European country to establish colonies in America and South America followed by Portugal France and Holland Inside you will read about The First Voyages of Columbus and Cook Voyage to Antarctica and the Search for the South Pole Australia and New Zealand The Third Voyage The Troubles The Final Voyage and Death of James Cook And much more In this book you ll find out all about these most remarkable men What was it like to travel over the edge of the ocean The voyages not just anyone could undertake Do not hesitate order your copy now and discover the bravery and the brilliance of men like Columbus and Cook who would make a dream come true and inspire a world to follow them **Christopher Columbus** Kathleen V.
