Christopher Marlowe A Renaissance Life:

Christopher Marlowe Constance Brown Kuriyama, 2002 Kuriyama's new biography reconstructs the eventful life of a radically innovative playwright who flourished briefly and died violently more than four hundred years ago yet persists in the romantic imagination even today

Christopher Marlowe Robert A. Logan, 2017-03-02 In uncovering the origin of the designation University Wits Bob Logan examines the characteristics of the Wits and their influence on the course of Elizabethan drama For the first time Christopher Marlowe is placed in the context of the six University Wits where his reputation stands out as the most prominent and the impact of his university education on his works is clarified The essays selected for reprinting assess the most significant scholarship written about Marlowe including biographical studies challenges to familiar assumptions about the poet playwright and his works compositions on groupings of his works on individual works and on subjects particular to Marlowe Unique in its perspective and in the collection of essays this book will interest all students and scholars of Renaissance poetry drama and specialized cultural contexts

Shakespeare, Marlowe, Jonson Dr Takashi Kozuka, Professor J R Mulryne, 2013-04-28 A remarkable resurgence of interest has taken place over recent years in a biographical approach to the work of early modern poets and dramatists in particular to the plays and poems of Shakespeare Marlowe and Jonson The contributors to this volume approach the topic in a manner that is at once critically and historically alert They acknowledge that the biographical evidence for all three authors is limited thus throwing the emphasis acutely on interpretation In addition to new scholarship the essays are valuable for their awareness of the challenges posed by recent redirections of critical methodology Scepticism and self criticism are marked features of the writing gathered here

Doctor Faustus Sara Munson Deats, 2015-04-10 Doctor Faustus is Christopher Marlowe's most popular play and is often seen as one of the overwhelming triumphs of the English Renaissance It has had a rich and varied critical history often arousing violent critical controversy This guide offers students an introduction to its critical and performance history surveying notable stage productions from its initial performance in 1594 to the present and including TV audio and cinematic versions It includes a keynote chapter outlining major areas of current research on the play and four new critical essays Finally a guide to critical web based and production related resources and an annotated biography provide a basis for further individual research

Dark Renaissance Stephen Greenblatt, 2025-09-04 Poor boy Dark star Spy Transgressor Genius The Pulitzer Prize winning author of Will in the World reveals the daring and subversive life of Christopher Marlowe Shakespeare's contemporary inspiration and rival In brutally repressive Elizabethan England artists are frightened into dull conventionality foreigners are suspect popular entertainment largely consists of coarse spectacles animal fights and hangings Into this crude world comes an ambitious cobbler's son from Canterbury with an uncanny ear for Latin poetry a torment for most schoolboys yet for a few a secret portal to beauty visionary imagination transgressive desire and dangerous scepticism What Christopher Marlowe finds on the other side of that door and what he does with it brings

about a spectacular explosion of English literature language and culture enabling the success of his collaborator and rival William Shakespeare With propulsive narrative flair and brilliant literary criticism Stephen Greenblatt reconstructs the youthful involvement with the queen s spy service that shaped Marlowe s brief troubling life and gave us his Tamburlaine and Faustus dramatic masterpieces on power and its costs And with detailed historical insight Greenblatt explores how the people Marlowe knew and the transformations they wrought birthed the economic scientific and cultural power of the modern world involving Faustian bargains with which we reckon still

The Man of the Renaissance Interpreted Through the Life and Plays of Christopher Marlowe Cathleen Burns,1941 **Historical Dictionary of British Theatre** Darryll Grantley,2013-10-10 British theatre has a greater tradition than any other having started all the way back in 1311 and still going strong today But that is too much for one book to cover so this volume deals with early theatre and has a cut off date in 1899 Still this is almost six centuries centuries during which British theatre not only developed but produced some of the greatest playwrights of all time and anywhere including obviously Shakespeare but also Marlowe and Shaw And they wrote some of the finest plays ever which are known around the world So there is plenty for this book to cover just with the playwrights plays and actors but it also has information on stagecraft and theatres as well as the historical and political background This book has over 1 183 entries in the dictionary section these being mainly on playwrights and plays but others as well including managers and critics and also on specific theatres legislative acts and some technical jargon Then there are entries on the different genres from comedy to tragedy and everything in between Inevitably the chronology is quite long as it has a long period to cover and the introduction provides the necessary overview The Historical Dictionary of Early British Theatre concludes with a pretty massive bibliography That will be of use to particularly assiduous researchers but this book itself is a good place to start any research since it covers periods that are far less well known and documented and ordinary theatre goers will also find useful information

Christopher Marlowe, Renaissance Dramatist Lisa Hopkins,2008-04-17 This book offers a lively introduction to all of the plays of Christopher Marlowe and to the central concerns of his age many of which are still important to us religious uncertainty the clash between Islam and Christianity ideas of sexuality and the role of the marginalised individual in society Each chapter focuses on a specific aspect of Marlowe s work and its cultural contexts Marlowe s life and death the Marlowe canon the theatrical contexts and stage history of the plays Marlowe s interest in old and new branches of knowledge the ways in which he transgresses against established norms and values and the major issues which have been raised in critical discussions of his plays

Magic and Masculinity in Early Modern English Drama Ian McAdam,2009 The prevalent worldview of early modern England shaped by Protestantism dismissed magical belief as an ideological delusion inherent to Catholicism while also encouraging a strong sense of individualism through which a new masculinity found expression This study asks why then did magical self empowerment retain such a hold on that society s imagination Provided by publisher

Christopher Marlowe and the Renaissance of Tragedy

Douglas Cole,1995-11-20 This work focuses on Marlowe's works as an index of the major transformation of Elizabethan theatrical practices In the opening chapter Cole reviews the unusually intriguing historical record of Marlowe's life outside the theatre The body of the book addresses Marlowe's individual plays as experiments in extending and redefining the traditional concepts and techniques of tragic drama and suggests how his contemporaries and followers made use of his innovations Intended as an introduction to the subject this book provides an insightful approach to Marlowe's work and the study of Elizabethan thought and theatre *Hamlet: History and commentary* Alex Jack,2005 **Shakespeare Quarterly** ,2003 Provides image and full text online access to back issues Consult the online table of contents for specific holdings

Christopher Marlowe [5 plays] ed. by H. Ellis, with a general intr. on the English drama during the reigns of Elizabeth and James i, by J.A. Symonds. Unexpurgated ed Christopher Marlowe,1887 **The Common Review** ,2006 *Early Modern English Drama* Garrett A. Sullivan,Patrick Cheney,Andrew Hadfield,2006 Each of these essays addresses not only a play but a specific cultural or literary topic They cover vital perspectives in cultural studies such as race class gender sexuality and colonialism as well as topics in history like humanism science law and reformation theology and in dramatic genre **The Tragical History of Doctor Faustus** Christopher Marlowe,2022-09-15 Christopher Marlowe's *The Tragical History of Doctor Faustus* is a volatile exploration of ambition desire and the human condition wrapped in the rich literary fabric of the Elizabethan period Written in blank verse this tragic play delves into the life of Faustus a scholar who dissatisfied with the limits of human knowledge makes a fateful pact with the devil trading his soul for twenty four years of magical powers Marlowe's use of soliloquies and rhetorical flourishes imbues the text with a heavy sense of foreboding as it poses fundamental questions about morality knowledge and the consequences of hubris reflecting the Renaissance's changing attitudes towards religion and individuality Christopher Marlowe a contemporary and possible rival of Shakespeare was a figure shrouded in mystery and controversy His own life of excess and ambition coupled with his scholarship in classical texts greatly influenced his writing Marlowe's relationship with the themes of rebellion and tragic heroism can be traced to his own tumultuous existence marked by allegations of atheism and his brutal murder at a young age suggesting that he was acutely aware of the fragile state of human ambition Readers seeking a reflective and provocative engagement with the boundaries of knowledge and the supernatural will find *Doctor Faustus* an essential text Its layered characterizations and moral complexities resonate profoundly with contemporary audiences inviting them to ponder the eternal struggle between aspiration and consequence This timeless tale encourages readers to examine their own desires in the shadow of moral reckoning **Localizing Christopher Marlowe** Arata Ide,2023 This study punctures the stereotyped portrayals of Marlowe first created by his rival Robert Greene and yet which still colour our view In doing so Ide reveals the social and cultural discourses out of which such myths emerged We know next to nothing about the life of the playwright Christopher Marlowe b 1564 d 1593 Few documents survive other than his birth record in the parish register a handful of

legal cases in court records Privy Council mandates and reports to the Council the coroner's examination of his death and a few hearsay accounts of his atheism With such a limited collection of biographical documents available it is impossible to retrieve from history a complete sense of Marlowe However this does not mean that biography cannot play a significant role in Marlowe studies By observing the details of the specific places and communities to which Marlowe belonged this book highlights the collective experiences and concerns of the social groups and communities with which we know he was personally and financially involved Specifically *Localizing Christopher Marlowe* reveals the political and cultural dynamics in the community of Corpus Christi College Cambridge into which Marlowe was deeply integrated and through which he became affiliated with the circle of Sir Francis Walsingham mapping these influences in both his life and works

Shakespeare Studies, 2012 **Christopher Marlowe** Christopher Marlowe, 1893 Christopher Marlowe the Craftsman M.L. Stapleton, 2016-05-23 Contributions to this volume explore the idea of Marlowe as a working artist in keeping with John Addington Symonds' characterization of him as a sculptor-poet Throughout the body of his work including not only the poems and plays but also his forays into translation and imitation a distinguished company of established and emerging literary scholars traces how Marlowe conceives an idea shapes and refines it then remakes and remodels it only to refashion it further in his writing process These essays necessarily overlap with one another in the categories of lives stage and page which signals their interdependent nature regarding questions of authorship theater and performance history as well as interpretive issues within the works themselves The contributors interpret and analyze the disputed facts of Marlowe's life the textual difficulties that emerge from the staging of his plays the critical investigations arising from analyses of individual works and their relationship to those of his contemporaries The collection engages in new ways the controversies and complexities of its subject's life and art It reflects the flourishing state of Marlowe studies as it shapes the twenty-first century conception of the poet and playwright as master craftsman
