

# Four Core Facets to REMOTE WORK SUCCESS

## 1 COMPUTER SKILLS

Having a working understanding of the technology needed to be successful on the job including basic navigation, internet browsers, email, chat, search, and windows is crucial to remote success.

**76% of workers**  
would be more willing to stay with their current employer if they could work flexible hours.

**+1.4 days of work**  
in additional days per month worked by remote employees compared to their in-office peers. That's 17 additional workdays a year.

## 2 SELF-RELIANCE

Remote workers must be able to work autonomously. They should be comfortable with isolation and possessing the self-motivation required to work and solve issues alone, without direct supervision or physical access to co-workers.

Communicating via remote means is also a key factor, as is the ability to understand and identify the subtleties of written (vs. verbal) communication.

## 3 PROPER WORK ENVIRONMENT

Maintaining a dedicated home/work environment that is organized, distraction-free, as well as properly connected and equipped make the transition to remote work much smoother for all.

**25% less turnover**  
reported by companies that allow employees to work remotely for any duration, compared to those that do not.

**+24% happier**  
and more productive as reported by those who work remotely at least once per month.

## 4 TIME MANAGEMENT

Staying on task without direct supervision is more than an exercise in self-control. Remote workers who can monitor oneself, prioritize, and ensure adherence to schedules are .

## **How Do You Remote Work Productivity Guide For Busy Professionals:**

*33 Tips for Working Remotely* Carmen Corral, 2020-09-05 Remote working sounds as easy as grabbing your laptop and heading home. But if you've ever tried it, you'll know it's not just a question of moving offices. There are several barriers and obstacles involved, some external, others from yourself. Working remotely means you have to adapt to a new and different environment and way of working. In this book, you'll find how to overcome the difficulties companies and people face when starting telework. Practical tips to help you adapt to remote working more quickly. Productivity techniques for more efficient remote work. Time management techniques for more efficient remote working. A look at the differences between remote and office work. Exercises to help you discover what works for you personally for better remote working. The pros and cons of remote working. How to make the most of the flexibility remote work offers. Secrets to success working remotely. Remote work essential tips for working remotely, doing your best work in a virtual world. This is a book that every remote worker and future remote worker should read, whether you're an employee, head of Human Resources, CEO, or entrepreneur. This book is for you if you're starting out remote working and you need a little support to adapt to this new way of working. You're already remote working and want to take it up a notch, get organized, and be more efficient. You think you could get a little more out of your day-to-day work. You really want to make the most of the flexibility your telecommute offers. This productivity guide to being more efficient while teleworking goes much further than just giving you generic magical formulas that the best leaders supposedly use. Here you'll find personal productivity tips to first get to know yourself better and then to adapt those time management and productivity techniques to your remote working needs. Don't wait to improve your personal productivity while working remotely online. You'll learn skills that will help you in both your professional and personal development. The remote work revolution is here, and succeeding from anywhere is now possible. Many more jobs can be done remotely than we think. Most office work could be done from home, but there are other things you'd never think of: customer service, phone lines, psychotherapy, life coaching, yoga teaching. Often we ourselves place limits and barriers on these things and need extreme circumstances to make us see that there are other possibilities. With remote work, office not required, and telecommuting will bring many advantages to us and the environment. Let's work remotely for a better world. The pandemic has forced us into remote working with no clue how to do it without the means, without the preparation needed. The good thing is that it has given us the great opportunity to work from home, which might otherwise have taken years or even decades to arrive. Remote work is the new normal. There is going to be more and more remote employment. It's up to you to adapt to it and to take advantage of all the benefits it holds for your career. Carmen Corral has been remote working for more than eight years, both for companies and for herself. After more than ten years working in Human Resources and Personnel Development, stuck in an office from Monday to Friday 9 to 5, she decided to do something that gave her more flexibility in when and where she worked. Now she works remotely while traveling the world.
