Faceless Video Plan, Script, and Produce Engaging Content Without Showing Your Face Maeve Kincaid, 2025-09-05 You don't need to be on camera to share your knowledge, teach effectively, or even build an online presence. Faceless video has become one of the most accessible and powerful ways to reach audiences, and teachers are uniquely positioned to use it. This book shows you how to create professional quality videos that engage and inform without ever stepping in front of the lens. Inside you'll learn how to plan and script your lessons or tutorials for clarity, capture or source the right B-roll to illustrate your ideas, and record voiceovers that sound confident and natural. With easy-to-follow workflows and teacher-focused examples, you'll discover how to transform your expertise into polished video content that feels professional but is simple to produce. Whether you're building resources for your students, creating educational content online, or exploring video as a side hustle, this guide will help you skip the overwhelm and focus on what works. With the right tools and approach, you'll be ready to teach and share on camera without ever being on camera.
