**Family Men: Fathers as Coparents in Diverse Contexts and Family Structures, volume II** Sarah E. DeMartini, Martin I. Gallegos,Lauren Altenburger ,Nicola Carone,2024-12-12 Significant contextual changes over the past few decades have suggested that mother focused models of science do not accurately capture fathers involvement as caregivers and coparents Extant research such as the study from Cabrera and their team in 2018 has debunked myths that paint fathers solely as secondary caregivers hands off parents and absent fathers On the contrary recent studies have suggested that fathers exert significant direct and indirect influences on child development and partner relationship quality via coparenting how parents work with or against each other to care for their children e g the studies from Farr Kuo and their team in 2017 McHale and their team in 2019 Murphy and their team in 2017 and Schoppe Sullivan Fagan in 2020 According to McHale and their team s research in 2019 coparenting has been of interest to family systems researchers clinicians as well as intervention and preventionists due to this construct capturing whole family dynamics While much of coparenting literature has focused on gender differences in the roles and involvement of opposite sex coparents such as the research from Carone Lingiardi in 2022 However we know less about coparenting in alternative family structures particularly gay father coparents as mothers are heavily emphasized in extant literature *Create Your Own Website* Scott Mitchell,2007 A new edition of this title is available ISBN 10 0672330024 ISBN 13 9780672330025 6 Easy Projects in full color Family or Personal Website eBay Store to Sell Products Online Storefronts Websites to Share Images Blogging Websites Creating a Profile on MySpace Get ready to see just how fun and easy it is to create your own websites As the popularity of the Internet and World Wide Web have risen over the past decade virtually all businesses have established an online presence Many individuals too have left their imprint on the web creating a family website or posting vacation pictures If you want to join the millions of people who have created websites but fear you lack the background or expertise for such an endeavor this book is for you Understand how to Create websites that can be as easy as using a word processor Share your family pictures with friends and relatives Start blogging with Blogger Sell products and services online by creating your own web storefront Create an eBay store Make new friends on MySpace 6 Easy Projects In this book you ll see just how easy it is to create your own website The CD included with this book contains professional website templates and a free web page editor With the web page editor you can quickly and easily customize the templates into your very own personal websites Better still using the editor is as simple as using a word processor It s just point and click CD ROM includes HTML templates for quickly creating your website Mozilla Composer a free HTML editing program Introduction 1 Creating Your First Web Page 2 Creating a
