Book Review 1 A collection of intimate interviews with people regarding the personal familial cultural and geographic factors in their working lives Inspired by Studs Terkel s *Working* 1974 which

profiled ordinary American workers editor Skees *God Among the Shakers* 1998 takes the concept global Six of her 16 subjects live in the United States including a slack key guitarist in Honolulu an architect in Cincinnati and a recruiter headhunter in Tampa Florida The rest are on other continents including a coffee farmer in Nicaragua a Masai warrior in Tanzania a married couple running an eco friendly factory in India a rickshaw puller in Bangladesh and a private equity manager in Hong Kong Skees organizes the material into five sections Entrepreneurship Industry and Transportation Farming Food and Animals Finance and Technology and Music an environmental activist in American coal country a banana farmer in Uganda a college admissions counselor in Rwanda and a fringe diplomat in Tel Aviv Few books dig so deeply into life as it s actually lived with such unsparing intimacy Prose Skees s own prose is sharp clear and purposeful but outside of introductions and some notes most of the book come straight from the mouths of her subjects through first person monologue Skees breaks the chapters up into short labeled sections This is helpful for skimmers but the shortness of the individual sections gives the chapters a stop and start feeling impeding narrative momentum Originality This isn t the first book to survey workers in their own words about work nor even the first one by Skees to do so but the author has selected a fresh fascinating cross section of people to reveal truths about the world and this current moment Execution The book offers insights wisdom challenges to orthodox thinking and some arresting first person storytelling It s both eye opening and a pleasure to learn about the day to day work of a Zambian mobile money agent and to discover how that work is vital to a population outside of the banking system That said the narrators individual voices sound somewhat similar to each other and the speakers too rarely offer up surprising or engaging anecdotes The emphasis here is strongly on the work itself and the sociopolitical context that created the opportunity for such work There s great value in capturing that but the book might prove more enticing for general audiences with a greater emphasis on voice and storytelling Booklife Publisher s Weekly

*A Guide to Finding a Remote Job That Works* Alexander Nogid, 2025-05-04 Remote work remains a top priority among modern professionals with many declaring remote jobs as their ideal work arrangement and the top factor they consider most important in a job In fact when faced with return to office mandates many workers are poised to leave their current jobs in search of remote job opportunities and healthier company cultures Whether you re an entry level job seeker eager to work remotely or a seasoned professional seeking greater flexibility in your career there s an opportunity for you Staying aware of job search and hiring trends and keeping tabs on companies known to offer work from home jobs can help you find the remote job you re after whether it s full time part time temporary or freelance And I m here to help I have worked remotely since COVID 19 and recently while looking for a new opportunity I realized that I can share all my knowledge and experience when it comes to job hunting You ll find this guide to be very different from all others since it has real resume writing examples tips links search engines for remote only jobs templates resume compiler example of skills etc In this guide you ll learn How to position yourself as a remote ready candidate How to build a standout personal brand online Where to find

*Thriving in the Modern Workplace* Giselle Sandy-Phillips,2025-09-24 Today s workplace is fast moving digital first and values driven and Gen Z is stepping in with bold expectations This empowering guide helps young professionals navigate real world challenges like personal branding remote collaboration leadership job hopping burnout and AI disruption With practical tools relatable stories and fresh career strategies career strategist Giselle Sandy Phillips shows Gen Z how to thrive not just survive on their own terms It s more than a career book it s a roadmap to confidence clarity and long term success

**#Entryleveltweet Book01** Heather R. Huhman,2010 The statistics are frightening The National Association of Colleges and Employers NACE 2009 Student Survey shows that just 19.7 percent of 2009 graduates who applied for a job actually have one And according to NACE s Job Outlook 2010 Fall Preview employers expect to hire 7 percent fewer graduates from the college Class of 2010 than they hired from the Class of 2009 What s worse this issue cannot completely be blamed on a poor economy Entry level hiring should have increased because many employers have laid off more expensive experienced talent So what s preventing new talent from entering the career marketplace Millennials those individuals born between 1977 and 1997 and also known as Generation Y often expect college to teach them how to find jobs and are disappointed upon finding out this is not the case And the career advice they do receive comes from authority figures i.e campus career center staff whom they do not believe or trust These graduates need practical and insightful guidance from someone who knows the challenges they face and how to overcome them

**ENTRYLEVELtweet Book01** by career expert Heather R Huhman is a must read for college students and recent grads who want to learn what it takes to find land and succeed in an entry level career In 140 tweet style tips Huhman provides a roadmap of what to do to impress hiring managers how to create stand out career tools and how to network during your job search with confidence in
