75+ Team Building Activities for Remote Teams Christopher Littlefield, 2020-10-03 This book is for leaders committed to building a great remote team culture but who don't have time or know where to start

Whether you're new to remote work or have been working remotely for years there's enough on your plate already without thinking about how to connect with and engage your team. I wrote this book to do just that and take one thing off your to-do list. The book is intentionally short, low on reading and high on actions. It's organized in such a way that you can open it five minutes before your meeting to grab a quick game or sit down to plan a longer virtual team retreat. In the first few pages you will find a Quick Reference Guide to help you find exactly what you need. You will have access to 75 activity ideas and hundreds of questions to help make your remote meetings one-on-ones and day-to-day virtual interactions more engaging. Beyond games you will find team reflection activities, stay conversation questions, a unique end-of-the-year team celebration idea and more. You will also find simple ways to virtually learn, stay healthy and celebrate together as a team. The only thing you need to do is take action.

Free Bonuses When you purchase this book you will gain access to copies of the following free handouts and downloads:

- 75 Team Building Activities Quick Reference Guide: A printable quick reference of the book to keep on your desk with reminders of key concepts, sample meeting agendas and more.
- Know Your People Form: A form to track all the information you should know about your people.
- COVID-19 Resources: Questions to help you understand what your people are facing each day, a list of five things that should be on every virtual meeting agenda and tips to help your team consciously transition back to work when the time comes.
- One Year Subscription to the Beyond Thank You Remote Team Nudge: When you download the free bonus you will have the opportunity to sign up for the Beyond Thank You Remote Team Nudge. Every two weeks I will send out activities, meeting prompts and other ideas from this book directly to your email, a little nudge to remind you to take action. If these are unhelpful you can unsubscribe any time.

[50 Digital Team-Building Games](#) John Chen, 2012-04-04

Use technology to increase loyalty and productivity in your employees. 50 Digital Team Building Games offers fun, energizing meeting openers, team activities and group adventures for business teams using Twitter, GPS, Facebook, smartphones and other technology. The games can be played in person or virtually and range from 5-minute ice breakers to an epic four-hour GPS-based adventure. Designed to be led by managers, facilitators, presenters and speakers, the activities help teams and groups get comfortable with technology, get to know each other better, build trust, improve communication and more. No need to be a techie to lead these games; they're simple and well-scripted.

Author: John Chen is the CEO of Geoteaming, a company that uses technology and adventure to teach teams how to collaborate. How to lead a simple, fast, fun team building activity with easy-to-follow instructions. How to create successful virtual team building that requires NO travel and little to no additional expenses. How to engage standoffish engineers, hard-to-reach technical teams or Gen X/Y teammates with technology they enjoy using. Successful technology-based team building can build buzz for your company, build critically important relationships and communication internally and keep your team talking about it for weeks afterward.
