Build Your Author Platform: An Introvert Author's Guide to Marketing Your Writing. Laura Kortum, 2025-02-11 You've published your first book and are eager to take that next step getting some visibility for it and for yourself. But whenever you hear the word marketing it sends a chill down your spine leaving you frozen in indecision about how to proceed. Worry not. You don't have to be a sleazy salesman to market yourself. You also don't have to bumble your way through the process and look like an amateur. In this guide you'll learn about all the essential building blocks of a successful and professional looking author platform including: What even is an Author platform? Present yourself. A great bio, photograph, etc. Claiming your author pages on Amazon, etc. Basics of author Websites. Social media for introverts. Newsletters and mailing lists. Automation. FTW. More than all of the above, this guide also deals with the most important question of all: what's the absolute minimum an introvert such as yourself can get away with. Marketing can become a fulltime job if you let it, but we're writers. And so we want to have plenty of time left over for writing, don't we? Let's begin. *Living the RV Life* Marc Bennett, Julie

Teaching Tourism Edelheim, Johan, Joppe, Marion, Flaherty, Joan, 2022-02-22 Tourism as an activity is increasingly being criticised for its exploitative and extractive industrial approaches to business. Yet it has the power to transform and to regenerate societies, cultures, and the environment. The desire to explore the world around us is deeply embedded in many people's psyche, but it comes at a cost to the environment and often to the residents of the visited communities. Much of tourism education has been closely linked to preparing students for future professional practice, but the challenges and opportunities linked to its consumption require that its future leaders must exhibit very different values and understandings to tackle ever more complex and wicked problems from which tourism cannot dissociate itself. This compilation of values-based learning experiences can be adapted to suit the needs and disposition of individual instructors and aims not only to engage students in the subject matter but also deepen their understanding of its complexity and interconnectivity and help them become global citizens that lead lives of consequence.
