Free From Corporate America - A Tactical Guide to Success On Your Own Terms Jon Reed, 2009-03-21 Today's workers are free agents who sink or swim on their own. So what are you going to do about it? Get Free from Corporate America. Jon wrote this book for people like himself: those who want to succeed but on their own terms. The best way to take control of your future is to adopt an entrepreneurial approach to your career. This does not necessarily mean starting your own business. It does mean developing skills and assets that will improve your position. Free from Corporate America puts business ideas to the ultimate test: will they pay the rent? It's not easy to claim a better life while facing the real world limitations of time and budget. But if you're tired of get-rich-quick happy talk and need a better way forward, Free from Corporate America is your kind of book.

Marketing For Dummies Jeanette Maw McMurtry, 2017-05-18 The classic bestselling marketing guide updated for the digital era. Marketing For Dummies 5th Edition is the ultimate handbook for boosting your business. Whether you're a small mom and pop shop, a local nonprofit, or a mid-size business looking to grow, the right marketing approach can make your company or organization stand out from the crowd. This book shows you how to find, reach, and engage with your customers in a way that brings in business. This new edition, updated to align with the latest marketing revolution, introduces you to essential techniques including search engine, guerilla, global, and behavior marketing. You'll learn where to find your people and how to give them what they want, how they want it, using behavioral techniques. You'll discover inexpensive online marketing and promotion tools, proving that budget doesn't have to be an insurmountable obstacle. You'll find up-to-date marketing plans, resources, and examples throughout to help you get out there and get your business noticed today. Today's marketing treats every aspect of customer interaction, including customer service and the product itself, as an opportunity to grow. This book shows you how to harness the power of these techniques to drive traffic, boost sales, and move your business forward. Turn web visibility into real world traffic and sales. Reach the right people at the right time. Develop a cohesive marketing plan for any budget. Source locally, market dynamically, and connect with your community. Whether you're looking for fundamental marketing skills, seeking guidance on social media and analytics, or need a full-blown comprehensive web marketing strategy, this book has you covered. Marketing For Dummies 5th Edition helps you open the door to a new, more successful phase of business.

Think Big! Rosemary Ludt, 2020-07-01 Think Big: A Resource Manual for Library Programs That Attract Large Teen Audiences is a how-to manual for librarians who want to attract large groups of teens to their libraries with meaningful, memorable events. Large programs may seem to be impossible to attempt until the project is broken down into the separate parts needed. Think Big begins with those separate parts necessary to create a large event, starting with the logistics of time and place, the budget, and how to find funding, making a timeline to make everything fall into place, communication among all of the people involved, marketing to the teen audience, troubleshooting with thorough preparation, and the importance of evaluations for reporting and for future planning. Part 2 is a collection of best practices. Seventeen

successful large programs are included contributed by librarians who have dared to think big and made it work Included are the book and author programs in school and public libraries There are also creative programs about poetry and dance STEM activities pop culture and school and work Every section has two to four programs Each program explains how the program began and evolved to the event it is today A timeline how the program was financed who assisted to make every step successful how the program was publicized and how evaluations were collected and written are provided in detail to empower a librarian to tackle their first time big program
