Proceedings of the 25th European Conference on Knowledge Management Dr. Nora Obermayer, Dr Andrea Bencsik, Breaking Structural Inequality and Enhancing Social Justice in Higher Education Malahlela, Moyagabo Kate, Sadiki, Marubini Christinah, 2025-12-03 Higher education is often a path towards opportunity and social mobility yet systemic inequalities shape access value and success within these institutions Structural barriers rooted in race class gender ability and other intersecting identities persist in admissions processes curriculum design faculty representation and resource allocation Addressing these inequities requires a transformative commitment to social justice that reimagines the purpose and practices of higher education By dismantling exclusionary systems and creating inclusive equitable environments colleges and universities can encourage societal change empower historically marginalized communities and advance a more just and equitable future Breaking Structural Inequality and

Enhancing Social Justice in Higher Education explores how innovative higher education organizations may advance social justice through inclusive practices. It examines the moral and social responsibility of higher education to address structural inequalities by implementing practical strategies that support historically marginalized groups, empowering them to participate in society. This book covers topics such as gender and diversity, higher education and professional development, and is a useful resource for educators, sociologists, policymakers, academicians, researchers, and scientists. **Reshaping the Business World Post-COVID-19** Arvind K. Birdie, Ruchi Joshi, 2023-10-06. The COVID-19 pandemic dramatically changed our normal both in life and in business. The timely volume provides a map of how the world has been significantly changed post-COVID-19 pandemic, not only in terms of work and business life but also linking other areas of personal life as well. It explores the diverse impacts of the pandemic on businesses and workplaces, addressing topics such as changes in organizational structures, operations, and marketing, and consumer behavior. Sharing their rich insights and perspectives on today's business world, the authors also look at how personal psychological well-being, the role of spirituality, employee satisfaction, an organization's future competitiveness, and quality of life have been affected and changed by the COVID-19 pandemic. Chapters discuss the challenges and complications of flexible and hybrid working styles and digital collaboration platforms such as Microsoft Teams. Other topics include changed consumer choices and shopping psychology, internet addiction, mental health challenges, new psychological aspects of the art and culture industry, and more. The authors also share effective strategies for creating work-life balance and improving psychological well-being and for navigating the new normal. **Reshaping the Business World Post-COVID-19: Management Strategies for Sustainable Behavior Change** will be valuable for both industry and academia as it covers concepts of business from various perspectives. The book is sure to help managers of all types navigate the new normal. **PC AI**, 2001. Unlock Productivity with Microsoft Copilot StoryBuddiesPlay, 2025-01-21.
