Small Business Management Charles E. Bamford, Garry D. Bruton, 2006 Suitable for the small business course where experiential learning is key this title emphasizes problem based learning through working with real problems faced by entrepreneurs and small business owners

It features real world scenarios It focuses on research and the environmental conditions in small businesses

Flexible Lives Stefanie Reissner, Michal Izak, 2025-08-07 This geographically and methodologically diverse volume shines the spotlight on a variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working

The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage

The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place

This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and relationships as well as

on managing the boundaries between familial and working lives In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white collar workers which is needed now more than ever This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices The chapters in this book were originally published in *Culture and Organization* and are accompanied by an updated Introduction and a new Epilogue
