**Handbook of Business Analytics** Ravindra Sharma, Geeta Rana, 2025-11-19 Business analytics are widely used in healthcare, manufacturing, and other industries that need to monitor or carefully analyze its users. Every day over 2.5 quintillion data bytes are collected for which it is essential to use business analytics. Many new software solutions and platforms have been relied upon to ingest and process large data sets. The book provides insights into business analytics as a key analytical technique to evaluate risk, project future commercial trends, and determine when upgradation is needed. It will help analysts and researchers in discovering trends and patterns in the data which uses past information as a source and a variety of analytical algorithms for forecasting future events with a high level of accuracy is the fundamental aim of business analytics. The chapters are written by academicians, industry experts, and researchers, each focusing on a different facet of business analytics. The book is meant for managers, executives, and entrepreneurs who want to use data to improve consumer insights, strategic planning, and operational efficiency. With its theoretical foundations and real-world analytics applications, the book is also a great resource for academicians, scholars, and students studying business administration, data science, and information systems.

*Guerrilla Marketing* Amelia Green, AI, 2025-03-03 Guerrilla Marketing provides a powerful alternative to traditional expensive marketing strategies, championing innovative and low-budget tactics that deliver significant impact. It underscores that in today's competitive environment, creativity is a more valuable asset than capital, enabling businesses to achieve substantial brand awareness and customer engagement without hefty financial investments. One key insight is the emphasis on unconventional channels such as public spaces and community events to directly reach target audiences, offering a level playing field against larger

corporations This book systematically explores the core principles of guerrilla marketing illustrating how to generate attention through memorable campaigns and strategically use unconventional channels It provides a framework for measuring the effectiveness of these campaigns optimizing strategies for maximum impact Readers will find real world case studies and actionable guidelines making it a practical resource for entrepreneurs and business owners Guerrilla Marketing challenges the notion that marketing success is directly tied to spending offering a step by step guide to developing and implementing effective guerrilla marketing campaigns The book progresses from introducing core concepts to delving into attention grabbing tactics and strategic channel use culminating in practical case studies across various industries arming readers with the knowledge to transform their marketing approach regardless of budget
