

WANT TO BUILD AN EMAIL LIST THAT ACTUALLY WORKS?

- ✓ **Start simple. Use a freebie, checklist, or helpful guide folks actually want.**
- ✓ **Talk like a person. Write emails like you're chatting at the fence line.**
- ✓ **Keep it clean. Use a solid opt-in form and respect their inbox.**
- ✓ **Be consistent. One good email a week beats a dozen that sound like ads.**
- ✓ **Give before you ask. People stick around for value, not sales pitches**

The Content Marketing Handbook Robert W. Bly, 2020-02-18. The Content Marketing Handbook helps entrepreneurs, marketers, and small business owners understand the true role of content within integrated multichannel marketing campaigns, avoid wasting time and money by giving away content with no ROI, and instead skillfully create content that builds trust, stimulates interest, and ultimately gets more orders for what they are selling. Readers will learn how to create a level of content that gets noticed, gets read, and eliminates content pollution. Overcome the biggest weakness of content marketing: Double marketing response rates by adding lead magnets, bonus reports, and other free content offers. Use content to build brands, enhance reputations, and stand out from the competition. Plan, execute, and measure content marketing in a multichannel environment. Know when to stop giving away content and start asking for the orders.

Successful Direct Marketing Methods Bob Stone, Ron Jacobs, 2007-12-05. Direct marketing has grown beyond its roots in traditional mail order to embrace a host of new technologies, customer relationship building techniques, and performance measures. Today, businesses and nonprofits of all kinds use direct marketing, which now garners 25% of the U.S. marketer's budget, surpassing newspapers and broadcast TV. Hailed as the bible of direct marketing for over 30 years, *Successful Direct Marketing Methods* has been completely updated and expanded with all the latest tools and techniques needed for success in today's digital multi-channel marketplace. Written by world-renowned direct marketing experts Bob Stone and Ron Jacobs, the Eighth Edition of *Successful Direct Marketing Methods* contains major revisions to chapters on the creative process, fully covering the development of direct mail advertising, catalogs, and print advertising. The Green Agenda in American Politics Robert J. Duffy, 2003 Organizations such as the Sierra Club and Friends of the Earth are familiar to anyone with an interest in environmental protection As activist groups they played by the same rules for years But in 1994 the rules changed With the Republican takeover of Congress environmental groups faced sweeping changes in federal policies that threatened the enforcement of environmental laws As these organizations intensified their efforts to meet these challenges they also altered their electoral strategies and political spending patterns This book traces those actions and shows what they mean for the future of environmentalism in the political arena While environmental advocacy groups have become bigger and better funded in recent years so have the corporate interests that compete with them for the attention of public and politicians The Green Agenda in American Politics offers a new look at environmental advocacy that focuses on contemporary lobbying electioneering and agenda setting in this new context Drawing on interviews with activists from a wide range of organizations Robert Duffy describes what environmental groups actually do when lobbying officials or the public He examines activity at both national and state levels to emphasize their growing use of websites email and action alert networks to conduct more sophisticated grassroots campaigns and he shows how they are devoting more funds to unregulated forms of spending such as independent expenditure issue advocacy advertising and public education campaigns Duffy also tracks emerging trends in interest group politics and provides an overview of activism through the early 1990s He then documents the emergence of more aggressive action after 1994 such as providing campaign services to candidates and mounting voter registration drives He also shows how state and local groups have begun to play more important roles in the wake of the rollback of federal environmental regulations Brimming with new insights into interest group lobbies in general and contemporary environmental groups in particular Duffy s book opens a new window on the influence of Big Money in the supposedly democratic electoral process
