A look at the revolution in game live streaming and esports broadcasting. Every day, thousands of people broadcast their gaming live to audiences over the internet using popular sites such as Twitch, which reaches more than one hundred million viewers a month. What are the ramifications of this exploding online industry? Taking readers inside home studios and backstage at large esports events, *Watch Me Play* investigates the rise of game live streaming and how it is poised to alter how we understand media and audiences. Through extensive interviews and immersion in this gaming scene, T. L. Taylor delves into the inner workings of the live streaming platform Twitch.
