Comics and Videogames Andreas Rauscher, Daniel Stein, Jan-Noël Thon, 2020-10-18 This
 book offers the first comprehensive study of the many interfaces shaping the relationship between comics and videogames It
 combines in depth conceptual reflection with a rich selection of paradigmatic case studies from contemporary media culture
 The editors have gathered a distinguished group of international scholars working at the interstices of comics studies and
 game studies to explore two interrelated areas of inquiry The first part of the book focuses on hybrid medialities and
 experimental aesthetics between comics and videogames the second part zooms in on how comics and videogames function
 as transmedia expansions within an increasingly convergent and participatory media culture The individual chapters address
 synergies and intersections between comics and videogames via a diverse set of case studies ranging from independent and
 experimental projects via popular franchises from the corporate worlds of DC and Marvel to the more playful forms of media
 mix prominent in Japan Offering an innovative intervention into a number of salient issues in current media culture Comics
 and Videogames will be of interest to scholars and students of comics studies game studies popular culture studies
