Although the activities in this book are designed for virtual teams, they can all be run for face to face teams as well.

Build A Virtual Team Wei Unterburger, 2021-05-24. A virtual team is a group of workers who communicate and work together using digital tools. While they can be located in the same physical space, virtual teams are often distributed, working remotely in different parts of the city, state, or country, even on the other side of the world. The truth is, technology has forever changed the way we interact and work with each other. We realized digital workplaces could encourage quicker decision making and reduce pressures. However, the lack of face to face interaction can also have adverse effects on confidence, innovation, and creativity among team members. But no need to worry, this team building kit will get you covered. From the first half of this book, you will learn everything necessary about how to be a good virtual leader and in what ways you can make your team from good to excellent. Then we have 20 simple but super funny virtual team building games prepared for you. The first ten of them will get you started fast and make some laughs in your team. The last ten activities can be both funny and constructive to help your organization grow with a lot of fun.

Virtual Teams For Dummies Tara Powers, 2018-07-04. Set your virtual team on a path to success. In the global marketplace, people can work practically anywhere and anytime. Virtual teams cut across the boundaries of time, space, culture, and sometimes even organizations.
