Guest blogging opportunity tracking  
And more  
Uncomplicate the blog content planning process with this simple guided planner that'll walk you through every important facet of developing a strong blog to help support your business online or allow your blogging hobby to be taken seriously  
But before you buy this planner note that it's not for you if you have more than one blog that you manage or if you send more than 8 emails a month to your audience  
Yes you could make it work but I wouldn't recommend it  
Also this book doesn't linger in the past  
It's a forward focused blog planner intended to help you do just move forward with your blog  
So if you're looking for 20 pages of reflection from the previous 12 months slapped in the first part of the planner it's not for you either  
There's plenty of thorough tracking but it also won't keep you detailing the past for hours on end  
If you want a serious blog planner with a focus on growth preparation and built on a high functioning strategic process then this planner is exactly what you're looking for
