*Mom Minus Dad: The Essential Resource Guide for Busy Adults with a Newly Widowed Parent* Jamieson Haverkamp, 2008-05-09 Mom Minus Dad is the only resource guide available with more than 500 resources for adults who lose a parent and need to assist a newly widowed parent. The book provides readers with practical advice on ten major parent loss topics along with more than 500 valuable and time saving resources including Web sites, companies, government resources, U.S. laws, books, and nonprofit organizations to assist the approximately twelve million sons and daughters who lose a parent every year. Each section provides online and book resources and simple practical solutions to common problems from finding affordable counseling to building new budgets for the widowed parent to managing changing family dynamics. Each chapter reveals ideas, relevant insights from the author's personal experience, questions to consider, and additional resources to find specific assistance. The author of Mom Minus Dad gleaned intimate knowledge of balancing her own life with a newly widowed parent. Ms. Haverkamp assisted her fifty-six year old widowed mother in Virginia while still running her real estate business in California after the early unpredicted loss of her father to cancer. In her groundbreaking book, Haverkamp shares how she and her sister both in their early thirties found success and managed struggles during their journey after their father's death. This is a reference guide grievers will refer to during the year after loss and years beyond.

**Thematic Guide to Popular Nonfiction** Lynda G. Adamson, 2006-01-30 Popular nonfiction is widely read and is increasingly prominent in the curriculum. This guide helps students, teachers, and librarians identify popular works of nonfiction related to particular themes. Included are alphabetically arranged entries on 50 themes such as Animals, Exploration, Genocide, Immigrants, Poverty, and Race Relations. Each entry begins with a definition and discussion of the theme followed by critical summaries of three or four works of nonfiction. The entries conclude with lists of additional nonfiction for further reading, and the Guide closes with lists of additional themes and related works along with a bibliography of works on popular nonfiction.
