When Tradition Meets Celebration My City Links, 2025-06-02 Raja A rich amalgamation of tradition, celebration, and family connect. Festivals and traditions have a way of rekindling memories tucked away between the folds of life experiences accumulated over the years. Nothing illustrates this better than Raja, the annual agrarian festival that is celebrated with great enthusiasm across Odisha. Our Cover Story looks at the family bonding and emotions that the festival has traditionally been associated with. We also reach out to Odias in other parts of the country and the world to get a sense of what Raja means to them. In CityZen, we zero in on a startup that is using technology, particularly AI, to ensure that quality healthcare is available in the rural areas. Founder Priyadarshi Mohapatra opens up about his organisation's guiding principles and operational model, in addition to plans of expansion into more underserved regions. As the world prepares to mark the Pride Month in June, City Lights brings you conversations with persons who identify as being part of the LGBTQIA community, capturing myriad hues of struggles, hopes, and aspirations. Operation Sindoor: India's fierce response to the dastardly Pahalgam terror attack by Pakistan-backed terrorists was marked by the use of armed drones for precision attacks. Drones produced by a Bhubaneswar-based company played a key role when it came to terrain mapping and target identification. Founder Boddhisatwa Sanghapriya tells us more about it in City Tech. A fast-paced life, particularly when it comes to working professionals in urban areas, has led to a proliferation of quick delivery services for food and groceries, as well as items of daily use. Scratch beneath the surface, however, and one is exposed to the dark and troubled underbelly of these operations. Read more about it in City Beat. The run up to Raja invariably sees excitement build up as the Odia film industry lines up new releases for an eager audience. ScreenShots brings you the lowdown on what to expect during the festive season. CityFlix reviews Superboys of Malegaon, a movie that is as much about celebrating films as it is about saluting the indomitable spirit of those involved in making them. It is, in fact, an inspiring if somewhat poignant take on life itself. As our reviewer puts it, it's about the courage to dream, even if the dream is stitched together with tape, wire, and undying hope. Elsewhere in the edition, City Literature explores the work of Japanese playwright Toshikazu Kawaguchi, while City Tales continues with the series on temple tanks in Bhubaneswar.

Building Business Acumen towards Sustainability Dr.C.Nagadeepa, Dr.Ibha Rani, Dr.Arati Singh, Dr.Raja Kamal Ch,
Building Business Acumen towards Sustainability is a thought-provoking and enlightening book that delves into the intersection of business acumen and sustainability. Compiled and edited by a team of renowned researchers and this

collection of research papers offers valuable insights and practical strategies for organizations aiming to navigate the challenges of the modern business landscape while prioritizing sustainability. The book begins by establishing a comprehensive understanding of business acumen, emphasizing its significance in driving strategic decision making and achieving long term success. It explores the various dimensions of business acumen including financial literacy, market analysis, risk management, and innovation. By highlighting the importance of a holistic understanding of business operations, the book sets the stage for integrating sustainability into these core competencies. Central to the book's narrative is the recognition that sustainability is no longer a choice but a necessity for businesses operating in the 21st century. The research papers provide an in depth examination of the environmental, social, and economic challenges facing organizations, elucidating the interconnectedness between these domains and their impact on long term business viability. By presenting compelling case studies and empirical evidence, the book illustrates how organizations can effectively incorporate sustainability principles into their operations and drive positive outcomes. One of the key strengths of *Building Business Acumen Towards Sustainability* is its focus on actionable strategies. The research papers not only provide theoretical frameworks but also offer practical guidance for implementing sustainable practices within organizations of various sizes and industries. From adopting circular economy principles to enhancing supply chain sustainability, the book covers a wide array of topics and provides step by step approaches for integrating sustainability into existing business models. Moreover, the book emphasizes the role of leadership in fostering a culture of sustainability within organizations. It explores the qualities and competencies required of leaders to drive sustainable change, highlighting the importance of stakeholder engagement, ethical decision making, and long term thinking. By showcasing successful examples of sustainable leadership, the book inspires readers to embrace their role as change agents and advocates for a more sustainable future. Whether you are an academic, business professional, or sustainability enthusiast, this book offers a wealth of knowledge and inspiration to foster positive change and drive sustainable outcomes.
