New York Magazine, 1996-09-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Los Angeles Magazine, 1997-10 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian

The Equity Planner Jason King, 2023-11-30 Economic development is intended to benefit everyone in a community however in many cases increased public and private investment can result in the pricing out and displacement of existing residents and businesses How do we achieve more equitable outcomes The Equity Planner provides a toolkit of practical solutions for planners and all those involved in placemaking to promote thoughtful inclusive planning Each chapter

of *The Equity Planner* examines one particular aspect of inequity in the urban planning sphere covering issues such as identity retention affordability and the protection and enhancement of local assets While each chapter offers practicable solutions to these issues the Notes from the Field sections describe how these same tools have been used either successfully or unsuccessfully in projects the author has been involved in with a particular focus on the local resistance each project encountered These real world case studies are used to suggest methods to overcome such resistance which the reader can then apply to their present initiatives This book is written for urban planners local activists social scientists policymakers and anyone with an interest in equity planning This book will be of use to both practicing and training urban planners and architects who seek to add equity planning to their professional repertoire
