Substack & Beyond Combo for 5 Books in One Dr Mehmet Yildiz, 2025-05-31

As an educator and Substack author, I created Substack and Beyond Combo because I know the struggles firsthand. Starting as a freelancer, independent book author, or business startup today can feel overwhelming and expensive. Courses cost hundreds. Good advice is scattered. Time is too precious to waste when hunting for outdated or confusing resources. That is why I combined five of my updated books into one educational, inspiring, and affordable package. I wrote this collection to provide you with everything you need to succeed, whether you're just beginning, advanced, or ready to scale your writing business beyond Substack. Inside this bundle, I will show you how to launch your Substack publication with clarity and confidence, build and grow a powerful mailing list, the #1 asset for every freelancer, create newsletters and emails that capture hearts and drive action, expand your platform beyond Substack to secure your future, navigate Substack as a passionate reader finding the best writers and ideas for lifelong growth, use email marketing and content integration wisely for your growth.

5 Books Included in This Bundle:

1. Substack Mastery Insider Secrets from a Content Strategist, Seasoned Author

4. Substack for Busy Writers
5. Smart Email Marketing Content Integration

Each book stands alone if you want to focus on one topic, or you can deep dive into the full set for a complete step-by-step education to accelerate your learning and make you feel confident in your writing journey. You can read them separately, browse them when you need answers, or use them as a full roadmap to build your publishing success. Each book also has a comprehensive checklist that you can print and use as a reminder. I did not learn these lessons from theory alone; I built my success through real-world experimentation by trying, failing, adapting, and refining over time. I made the mistakes so you do not have to. I gathered the best practices, spotted the hidden pitfalls, and organized them here to save you years of trial and error. Today, as a bestselling Substack author with 202,000 subscribers and an email list of 700,000, I am sharing everything that worked and what to avoid to help you succeed faster and smarter. You deserve clear, honest, real-world advice without draining your bank account. You deserve one place where everything is updated, practical, and proven, not fragments, hype, or expensive upsells. Substack and Beyond is my answer to that need and my invitation to you for this exciting journey. If you are ready to invest smartly in yourself, build a
