Beginner's Guide to Search Engine Optimization

SEO stands for "search engine optimization." In other words, SEO means the process of improving your website to increase the visibility in Google, Microsoft Bing, and other search engines. And that's exactly what you want to do.

- Provide good content
- Research your keywords
- Understand the needs of your audience

The better content your pages have in search results, the more likely you are to be found and clicked on. Therefore, the goal of [search engine optimization](#) is to help search engines understand [your website](#), your website's customers, needs, and to surface relevant content from.

How is SEO different from SEM and PPC?

SEM and PPC are two other content areas you will encounter in terms of [Search Engine](#) optimization. But in the long run, search marketing optimization.

What is it that sets your website apart from all the other websites that are competing for it?

SEO vs. SEM

SEO stands for [search engine optimization](#). It is the most commonly known search engine optimization.
