[The No-Fluff Guide to Writing Web Content](#) Alina Bradford, 2019-04-15 Let a content writer with 20 years of experience teach you everything you need to know As a

freelance writer for more than 20 years I've seen some stuff. Rough sad web content in the form of articles and blog posts. This content leaves the reader with nothing to take away except boredom and questions. That pains me. Your audience should get what they came for. So I put together this book. It contains my best tips for writing awesome content and even some tips for building your brand. My goal is to build you up with the knowledge you need to go out into the online world and dazzle potential clients and readers alike. This book includes:

- Step by step help to craft articles and blogs from start to finish
- Everything you need to know about SEO to make your clients search engines and you happy
- Spelling and grammar tips to keep you typo free
- Lists of free reference sites where you can find expert quotes and quality research
- A content checklist so you can make sure that your articles and blog posts are 100% ready for readers
- A list of the 20 best sites for finding free videos, photos, maps, graphs, and gifs for your content
- And more

**Content Writing Step-By-Step** Joseph Robinson, 2020-01-24

Do you have a blog where you sell products yet are struggling to make the conversion sales necessary? Does your traffic or engagement from readers look low when you run some reports? Do you feel like you're just losing the attention from readers at times? Don't worry. This happens and there are options in place to help you make the most out of your blog and content. You don't need to give up on it. Content is the main component of anyone's blog or website. People will use search engines looking for answers to their questions or problems and you can help create engaging content for your readers that's also entertaining and helpful at the same time. This can help build your authority and your website at the same time. The key takeaways from this book:

- Difference between copywriting and content writing and how you can make your content flow i.e. mix of copywriting and content writing styles
- Content marketing: the data that's been gathered and how you can use these methods for content promotion
- The history of writing as a career
- How to maximize the components of SEO and how to help your site rank well in Google and other search engines
- The difference between writing content for social media and for niche topics on your blogging site
- Tips and tricks for writing for social media sites
- Best practices and common mistakes to avoid to help you hasten your progress
- How to outsource and what to outsource when it comes to content helping you save time and money
- Finding the best places to outsource your work and how these platforms operate
- A step by step formula for creating your content
- Tips for generating content ideas and how you can keep moving even if you feel like you don't have more ideas
- Content and ideas that convert to help you when it comes to making sales
- And so much more

It's not always about having the best plug-in's, top SEO skills, and the like. But a key aspect is content. As they say, content is king. This is entirely true and this book has been created from Mr. Robinson's experience in order to help you grow your website and audience through such practices. What would you like to be able to accomplish with content strategies? What areas of your blog or business could use a boost in creativity and productivity?
