Vampire State Ian Williams,2024-09-05 This is the terrifying story of China s vampire economy State capitalism Socialism with Chinese characteristics A socialist market economy There have been numerous descriptions of the Chinese economy However none seems to capture the predatory at times surreal nature of the economy of the world s most populous nation nor the often bruising and mind bending experience of doing business with the Middle Kingdom Rules and agreements mean little Markets are distorted statistics fabricated foreign industrial secrets and technology systematically stolen Companies and entrepreneurs at home and abroad are bullied often with the collusion of the victims themselves The Party is in every boardroom and lab with businesses thriving or dying at its will All this is part of realising President Xi Jinping s ambition of China becoming the world s pre eminent economic technological and military power One of the Financial Times Best New Books on Economics in 2024

Rethinking the North American Long Poem Ridvan Askin,Julius Greve,2024-12-15 For centuries critics poets poet scholars and philosophers have either openly proclaimed or tacitly assumed the long poem as the highest expression of literary ambition and excellence Rethinking the North American Long Poem focuses on the North American variant of this notorious form notorious because of its often

forbidding and difficult character particularly with respect to the dialectics of content and form aesthetics and politics matter and genre In nine essays and a contextual introduction the editors and contributors scrutinize seminal long poems by North American writers including Walt Whitman s Song of Myself Ezra Pound s The Cantos Muriel Rukeyser s The Book of the Dead and Charles Olson s The Maximus Poems They also explore recent efforts that have redefined or reopened the case of the long poem including Rachel Blau DuPlessis s Drafts M NourbeSe Philip s Zong and Claudia Rankine s Citizen Taking the categories of form matter and experiment as frames of conceptual reference the book examines the ways in which material and immaterial aspects of literary practice and the philosophically and politically inscribed duality of experience and experiment are negotiated in and by North American long poems from the nineteenth century to the present **Make**
