**How to Create a Personal Brand Without Spending a Fortune** Humphrey Snyder, 2019-11-11 Branding is an important part of growing any enterprise, be it a personality or a business. To do this, content creation and marketing is a key element for this to work effectively, and since there's a growing mistrust of corporate businesses and politicians who are constitutional authority figures, Branding, be it personal or corporate, normally costs a lot of money to achieve, not to mention resources and time. This book offers answers to questions like what a personal brand is and why you need one, while giving in-depth tips in its chapters. Chapter 1 explains what is a personal brand and why you need one. Chapter 2 explains places to build a brand online with a small budget. Chapter 3 discusses the tools YouTube provides through its video streaming and SEO platform. Chapter 4 shows the various options Facebook outlays with respect to its vast audience, the large community and its advertising campaigns managers and offers. Chapter 5, LinkedIn is placed in view for discourse as to how this platform spreads news of one's brand to others in the same field or industry. Chapter 6 looks to express the innumerable possibilities that exists in Twitter, the fastest growing social media platform with one of the most active online communities. Chapter 7 and 8 fully spreads out the usefulness of a website in the creation of a personal brand and how the existence and consistency of a blog sets the brand to have a significance in the vast ocean of content called the internet.      **Unlock Your Potential:**
