OECD Regional Development Studies Implications of Remote Working Adoption on Place Based Policies A Focus on G7 Countries OECD, 2021-06-22 COVID 19 has accelerated the digitalisation of working and social interactions Global

lockdowns to contain the pandemic have forced firms and workers to perform a wide range of daily functions through virtual means This has led to greater uptake and acceptance of remote working which will likely remain in the post pandemic scenario

Handbook of Research on Remote Work and Worker Well-Being in the Post-COVID-19 Era Wheatley, Daniel, Hardill, Irene, Buglass, Sarah, 2021-04-16 With the introduction of policies to combat COVID 19 far greater numbers of employees across the globe including those with limited job autonomy have moved to undertake their entire job at home Although challenging in the current climate embracing these flexible modes of work such as working at home including relevant investment in technology to enable this will not only deliver potential organizational benefits but also increase the

adaptability of the labor market in the short and longer terms Although perhaps not the central concern of many in the current climate good home based work is achievable and perhaps even a solution to the current work based dilemma created by COVID 19 and should be a common goal for individuals organizations and society Research also has shifted to focus on the routines of workers organizational performance and well being of companies and their employees along with reflections on the ways in which these developments may influence and alter the nature of paid work into the post COVID 19 era The Handbook of Research on Remote Work and Worker Well Being in the Post COVID 19 Era focuses on the rapid expansion of remote working in response to the global COVID 19 pandemic and the impacts it has had on both employees and businesses The content of the book progresses understanding and raises awareness of the benefits and challenges faced by large scale movements to remote working considering the wide array of different ways in which the large scale movement to remote working is impacting working lives and the economy This book covers how different fields of work are responding and implementing remote work along with providing a presentation of how work occurs in digital spaces and the impacts on different topics such as gender dynamics and virtual togetherness It is an ideal reference book for HR professionals business managers executives entrepreneurs policymakers researchers students practitioners academicians and business professionals interested in the latest research on remote working and its impacts

The Virtual Workplace Magid Igbaria, Margaret Tan, 1998 The current merging of computer and communication technologies is facilitating the trend toward the virtual workplace As the growth in the virtual workplace accelerates organizations face new challenges to cope with their new organizational structure The Virtual Workplace explores the forces that are driving this phenomenon and the consequential issues and problems that will influence the globalization of the virtual workplace by offering a wide and rich array of factors such as social issues legal concerns and performance compensations

33 Tips for Working Remotely Carmen Corral, 2020-09-05 Remote working sounds as easy as grabbing your laptop and heading home But if you've ever tried it you'll know it's not just a question of moving offices There are several barriers and obstacles involved some external others from yourself Working remotely means you have to adapt to a new and different environment and way of working In this book you'll find How to overcome the difficulties companies and people face when starting telework Practical tips to help you adapt to remote working more quickly Productivity techniques for more efficient remote work Time management techniques for more efficient remote working A look at the differences between remote and office work Exercises to help you discover what works for you personally for better remote working The pros and cons of remote working how to make the most of the flexibility remote work offers Secrets to success working remotely Remote work essential tips for working remotely doing your best work in a virtual world This is a book that every remote worker and future remote worker should read whether you're an employee head of Human Resources CEO or entrepreneur This book is for you if You're starting out remote working and you need a little support to adapt to this new way of working You're already remote working and want to

take it up a notch get organized and be more efficient You think you could get a little more out of your day to day work You really want to make the most of the flexibility your telecommute offers This productivity guide to being more efficient while teleworking goes much further than just giving you generic magical formulas that the best leaders supposedly use Here you ll find personal productivity tips to first get to know yourself better and then to adapt those time management and productivity techniques to your remote working needs Don t wait to improve your personal productivity while working remotely online You ll learn skills that will help you in both your professional and personal development The remote work revolution is here and succeeding from anywhere is now possible Many more jobs can be done remotely than we think Most office work could be done from home but there are other things you d never think of customer service phone lines psychotherapy life coaching yoga teaching Often we ourselves place limits and barriers on these things and need extreme circumstances to make us see that there are other possibilities With remote work office not required and telecommuting will bring many advantages to us and the environment Let s work remotely for a better world The pandemic has forced us into remote working with no clue how to do it without the means without the preparation needed The good thing is that it has given us the great opportunity to work from home which might otherwise have taken years or even decades to arrive Remote work is the new normal There is going to be more and more remote employment It s up to you to adapt to it and to take advantage of all the benefits it holds for your career Carmen Corral has been remote working for more than eight years both for companies and for herself After more than ten years working in Human Resources and Personnel Development stuck in an office from Monday to Friday 9 to 5 she decided to do something that gave her more flexibility in when and where she worked Now she works remotely while traveling the world *The Everything Guide to Remote Work* Jill Duffy,2022-02-08 Discover the secret to being productive and successful no matter where you are with this essential guide to remote work During COVID 19 working from home became the new normal Now both employers and employees find that the remote work they were forced to adjust to may be well better financially sustainably and even in terms of overall morale and productivity But working from home is not without its challenges It can be difficult to eliminate distractions strike a solid work life balance and maintain social connections that are crucial in the workplace Whether you re trying to find and land a job from the comfort of your home learning to manage a virtual team or dream of living a digital nomad lifestyle The Everything Guide to Remote Work has everything you need to be successful You ll learn to optimize your own workplace culture whether it s in your home office or a constantly changing backdrop So whether your company continues to work remotely full time or you only have to go to the office a few days a week you ll be armed with all the tools you ll need to make the most out of this new lifestyle *Back to Human* Dan Schawbel,2018-11-13 WASHINGTON POST BESTSELLER A Financial Times Book of the Month *Back to Human* explains how a more socially connected workforce creates greater fulfillment productivity and engagement while preventing burnout and turnover The next generation of leaders must create a workplace where

teammates feel genuinely connected engaged and empowered without relying on technology Based on Dan Schawbel s exclusive research studies featuring the perspectives of over 2 000 managers and employees across different age groups Back to Human reveals why virtual communication though vital and useful actually contributes to a stronger sense of isolation at work than ever before How can we change this culture Schawbel offers a self assessment called the Work Connectivity Index that measures the strength of team relationships He also shares exercises examples and activities that readers can work on individually or as a team which will help them increase personal productivity be more collaborative and become more fulfilled at work Back to Human ultimately helps you decide when and how to use technology to build better connections in your work life It is a call to action to leaders across the world to make the workplace a better experience for all of us
