Work from Home Madison Hall, 2018-04-20. Are you tired working far from home or looking for a gig to earn you extra money? There is a plethora of opportunities available for those who want to work from home, especially the stay home moms. You probably went to school and had earned a degree, you spent sleepless nights working on your education so that you could further your career. Unfortunately, motherhood demands much from you, and you decide to quit your 9-5 job or your boss is stressing you, or even the job you got does not make you happy. Regardless of your gender, age, or skin or height, today's economy does not cut anybody any slack. Bills have to be paid, and you have to feed and dress your children and yourself. So, is it possible to have a profitable and fruitful career while working at home? Well, the answer is YES. Only if you balance your life. With your professional background, experience, and determination, this is achievable. If you probably did not manage to get a degree, that doesn't mean you should give up. Not at all. Fear should not hold you back that your skills are not honed enough to turn them into viable dreams. Relax. It's not utterly necessary to have a distinct set of skills to be able to work from home. You have as many opportunities as those with degrees do, often they seek a different type of jobs out of the available pool of jobs. This book has been curated to help you work comfortably from home. We will see the different careers you could take while working from home, the advantages as well as the disadvantages of working from home, and how to set up a routine that will help you manage your time wisely. I invite you to grab a copy of this book and change your perspective of working from home.
