data collected through social media is just that data. It usually seems to hold little or no meaning on which to base business decisions. But the meaning is there if you're applying the right systems and know how to use them. With Social Media Analytics you'll learn how to get supremely valuable information from this revolutionary new marketing tool. One of the most respected leaders in his field and a pioneer in Web analytics, Marshall Sponder shows how to choose the best social media platforms for your needs. Set up the right processes to achieve your goals. Extract the hidden meaning from all the data you collect. Quantify your results and determine ROI. Filled with in-depth case studies from a range of industries along with detailed reviews of several social monitoring platforms, Social Media Analytics takes you beyond up to date and leads you well into the future and far ahead of your competition. You will learn how to use the most sophisticated methods yet known to find customers, create relevant content, and track it. Mash up data from disparate sources and much more. Sponder concludes with an insightful look at where the field will likely be going during the next few years. Whether your social media marketing efforts are directed at B2B, B2C, C2C, nonprofit, corporate, or public sector, aims, take them to the next step with the techniques, strategies, and methods in Social Media Analytics, the most in-depth forward-looking book on the subject.
